

Chapter 2 Rural Poverty In India

Lin Crase, Vasant P. Gandhi

Chapter 2 Rural Poverty In India:

Reforming Institutions in Water Resource Management Lin Crase, Vasant P. Gandhi, 2009 As water scarcities increase nations throughout the world are in search of better institutions to manage water resources India has been making substantial efforts to develop its water management systems since independence and significant increases in irrigated agriculture have taken place through both public and private initiatives However scarcities are increasing and major problems presently confront the management of water resources and irrigated agriculture Resolving these problems is crucial for the future

Indian Social Problems CN Shankar Rao, This book entitled Indian Social Problems A Sociological Perspective provides a glimpse of many social problems that have been haunting the Indian society since years decades and even centuries Though India is fast developing it has lots of regional cultural linguistic and religious diversities These diversities are also reflected in its social problems This book covers social problems which are general in nature and common to the whole nation such as population problem poverty unemployment child labour urbanization youth unrest problems of the aged family disorganization corruption crime and delinquency etc This book is prepared mainly to cater to the needs of the undergraduate and postgraduate students Most of the universities in India have prescribed one paper on Indian Social Problems either at the undergraduate or postgraduate level The book also covers topics that are included in the syllabi of IAS NET SLET KAS and other national and state level competitive examinations It also contains lessons that form part of MBA nursing and fiveyear law courses Such students and examinees will definitely find the book highly helpful

India's Social and Economic Transformation in the 21st Century Pallavi Choudhuri, Sonalde Desai, Amaresh Dubey, 2023-06-27 This book provides a comprehensive analysis of India's social and economic transformation in the decades leading up to the COVID 19 pandemic and explores both resilience and vulnerabilities in Indian society It provides an in depth look into diverse aspects of how Indians live earn a living and care for their children by examining vital indicators such as poverty malnutrition health and marriage and family relationships among others Analysing the data from the India Human Development Surveys it presents a complex picture of India's transformation and large economic and educational gains while exploring the reasons why these have not translated into social transformation of a similar magnitude The volume also describes the backdrop against which the COVID 19 pandemic crippled the Indian economy In effect it foreshadows the challenges that need to be addressed on the road to recovery It argues that in order to reduce the scarring and ensure recovery for all it will be important to focus on the underlying conditions faced by the most vulnerable sections of the Indian society as policymakers seek to effectively tend to issues of socio economic inequality and marginalisation in the long run Rich in data and analysis this book will be useful for scholars and researchers of economics political economy sociology and development studies

In Search of Sustainable Livelihood Systems Ruedi Baumgartner, Rudolf Högger, 2004-08-30 Livelihood systems are more than sets of material and economic conditions They cater to a number of human needs The contributors to this volume

maintain that a livelihood system embraces not just economic conditions for physical subsistence but provides material continuity and cultural meaning to the life of a family

The Indian Journal of Agricultural Economics, 2000 Vols include Proceedings of the conference of the Indian Society of Agricultural Economics

Case Studies in Food Policy for Developing Countries: Institutions and international trade policies Per Pinstrup-Andersen, 2009 The food problems now facing the world scarcity and starvation contamination and illness overabundance and obesity are both diverse and complex What are their causes How severe are they Why do they persist What are the solutions The authors of the more than sixty international case studies contained in these books approach the food system with a multidisciplinary perspective In three volumes that serve as valuable teaching tools they call upon the wisdom of disciplines including economics nutrition sociology anthropology environmental science medicine and geography to create a holistic picture of the state of the world's food systems today The authors focus in on specific cases from all corners of the globe to cover topics including drought and soil conservation land allocation and cooperative marketing efforts and food safety measures and advertising policies In documenting past successes and failures these case studies provide a valuable foundation for future research and efforts to create truly successful and sustainable food policy

Pub desc **Dimensions of Rural Poverty** Pulugurtha Perraju Sarma, 1987 This book on interlocking dimensions of poverty based on an intensive study of a developed region in Andhra Pradesh is an attempt to study the genesis development and manifestations of poverty of agricultural labour households Its uniqueness lies in its coverage of temporal generational and asset dimensions of poverty of the sample households While observing improvements like lower incidence of income poverty higher literacy among younger age groups a favourable attitude to family planning a decline in infant mortality when studied by the age group of mothers and less vulnerability to pressures the study well records widespread prevalence of asset poverty both physical and human and continuing in mobility into agricultural labour class The author makes a strong plea for stopping in mobility into agricultural labour class while encouraging out mobility from it with the help of large scale public intervention to ward off the threat of potential poverty faced by households both living below and above the poverty line The book will be interest to all those concerned with or interested in the socio economic well being of the poorest of the poor in the rural areas

Contents Chapter 1 Poverty Concepts Causes and Inter Relationships Chapter 2 Poverty of Agricultural Labouring Class In India Chapter 3 Purpose Scope and Methodology of the Study Chapter 4 Socio Economic Characteristics of the Selected Households Chapter 5 Temporal and Generational Dimensions of Poverty Chapter 6 Assets and Indebtedness of Selected Households Chapter 7 Correlation and Regression Analysis Selected Variables Chapter 8 Conclusions and Policy Implications

Eighth Five Year Plan, 1992-97 India. Planning Commission, 1992

Economies Of China And India, The: Cooperation And Conflict (In 3 Volumes) Manmohan Agarwal, Jing Wang, 2016-12-29 China and India the two largest developing countries are developing rapidly both inside themselves and towards global markets Are these two economies dual or dueling This 3 volume set tries to answer this

question by providing comprehensive analyses scoping varied economic issues This volume set covers both China s and India s strategies and objectives in international governance their bilateral and multilateral trade agreement negotiations financial liberalization growth prospects rural development and agriculture income distribution labor market mechanism manufacturing and competitiveness upgrading as well as environmental and other social issues The set collects papers most unpublished until now written by Chinese and Indian researchers who have rich experiences and strong backgrounds in policy analyses and are well connected to Chinese and Indian policy makers Thus these papers contain valuable first hand information about China s and India s development strategies This makes this volume set an essential source of reference for China India comparisons and studies
