universe Nothing about the others will be known until contact is made beyond a radio signal from space that merely tells us they existed when it was sent That contact may occur tomorrow in a hundred years or never If it does it will be a high risk scenario for humanity It may be peaceful or hostile Relying on alien altruism and benign intentions is wishful thinking We need to begin identifying as a planetary species and develop a global consensus on how to respond in either scenario

**Alter(ed) Bodies** Mateusz Borowski, Małgorzata Sugiera, 2025-07-14 The fundamental assumption behind the volume is that the current civilizational crisis manifested in such phenomena as climate change environmental catastrophes pandemics and wars puts into question the biopolitical means of optimizing the life of populations and individuals To narrow down the thematic concerns of the volume the chapters are centered around the notion of body fundamental for the majority of theoretical takes on biopolitics The volume shows that in the current age of catastrophes bodies are not only shaped and individualized through procedures of institutionalized discipline but by an entanglement of environmental and planetary factors typically omitted in extant accounts of biopolitics The chapters go beyond biopolitics because they show bodies as sites of operation of non human or more than human agencies that work on scales inaccessible to human sensorium The Au Pair Emma Rous, 2019-01-08 If V C Andrews and Kate Morton had a literary love child Emma Rous USA Today bestseller The Au Pair would be it One of the most anticipated books of 2019 from Pop Sugar Bustle Cosmo Parade and Goodreads Seraphine Mayes and her twin brother Danny were born in the middle of summer at their family s estate on the Norfolk coast Within hours of their birth their mother threw herself from the cliffs the au pair fled and the village thrilled with whispers of dark cloaks changelings and the aloof couple who drew a young nanny into their inner circle Now an adult Seraphine mourns the recent death of her father While going through his belongings she uncovers a family photograph that raises dangerous questions It was taken on the day the twins were born and in the photo their mother surrounded by her husband and her young son is smiling serenely and holding just one baby Who is the child and what really happened that day *Spiderlight* Adrian Tchaikovsky, 2016-08-02 *Spiderlight* is an exhilarating fantasy quest from Adrian Tchaikovsky the author of *Guns at Dawn* and the *Shadows of the Apt* series The path to victory will only be seen through a spider s eyes The Church of Armes of the Light has battled the forces of Darkness for as long as anyone can remember The great prophecy has foretold that a band of misfits led by a high priestess will defeat the Dark Lord Darvezian armed with their wits the blessing of the Light and an artifact stolen from the merciless Spider Queen Their journey will be long hard and fraught with danger Allies will become enemies enemies will become allies And the Dark Lord will be waiting always waiting At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Eyes of the Void** Adrian Tchaikovsky, 2022-05-03 The Arthur C Clarke award winning author of *Children of Time* brings us the second novel in an extraordinary space opera trilogy about humanity on the brink of extinction and how one man s discovery will save or destroy us all After eighty years of fragile peace the Architects are back wreaking havoc as they consume entire planets In the past Originator artefacts vestiges

of a long vanished civilization could save a world from annihilation This time the Architects have discovered a way to circumvent these protective relics Suddenly no planet is safe Facing impending extinction the Human Colonies are in turmoil While some believe a unified front is the only way to stop the Architects others insist humanity should fight alone And there are those who would seek to benefit from the fractured politics of war even as the Architects loom ever closer Idris who has spent decades running from the horrors of his past finds himself thrust back onto the battlefield As an Intermediary he could be one of the few to turn the tide of war With a handful of allies he searches for a weapon that could push back the Architects and save the galaxy But to do so he must return to the nightmarish unspace where his mind was broken and remade What Idris discovers there will change everything [Shroud](#) Adrian Tchaikovsky,2025-06-03 On a planet shrouded in darkness a stranded crew must fight for survival But the darkness may have plans of its own in this wildly original story from Adrian Tchaikovsky Hugo and Arthur C Clarke Award winning author of Children of Time They looked into the darkness and the darkness looked back New planets are fair game to asset strippers and interplanetary opportunists and a commercial mission to a distant star system discovers a moon that is pitch black but alive with radio activity Its high gravity high pressure zero oxygen environment is anathema to human life but ripe for exploitation They named it Shroud Under no circumstances should a human end up on Shroud s inhospitable surface Except a catastrophic accident sees Juna Ceelander and Mai Ste Etienne doing just that Forced to stage an emergency landing in a small barely adequate vehicle they are unable to contact their ship and are running out of time What follows is a gruelling journey across land sea and air During this time Juna and Mai begin to understand Shroud s dominant species It also begins to understand them **The Doors of Eden** Adrian Tchaikovsky,2020-09-22 Four years ago two girls went looking for monsters on Bodmin Moor Only one came back Lee thought she d lost Mal but now she s miraculously returned But what happened that day on the moors And where has she been all this time Mal s reappearance hasn t gone unnoticed by MI5 officers either and Lee isn t the only one with questions Julian Sabreur is investigating an attack on top physicist Kay Amal Khan This leads Julian to clash with agents of an unknown power and they may or may not be human His only clue is grainy footage showing a woman who supposedly died on Bodmin Moor Dr Khan s research was theoretical then she found cracks between our world and parallel Earths Now these cracks are widening revealing extraordinary creatures And as the doors crash open anything could come through [City of Last Chances](#) Adrian Tchaikovsky,2022-12-08 2024 LOCUS AWARD FINALIST BEST FANTASY NOVEL WINNER OF THE 2022 BRITISH SCIENCE FICTION ASSOCIATION AWARD FOR BEST NOVEL Endlessly creative so much invention peeking around every corner Patrick Ness Arthur C Clarke winner and Sunday Times bestseller Adrian Tchaikovsky s triumphant return to fantasy with a darkly inventive portrait of a city under occupation and on the verge of revolution There has always been a darkness to Ilmar but never more so than now The city chafes under the heavy hand of the Palleseen occupation the choke hold of its criminal underworld the boot of its factory owners the weight of its wretched poor and the burden of its

ancient curse What will be the spark that lights the conflagration Despite the city s refugees wanderers murderers madmen fanatics and thieves the catalyst as always will be the Anchorwood that dark grove of trees that primeval remnant that portal when the moon is full to strange and distant shores Ilmar some say is the worst place in the world and the gateway to a thousand worse places Ilmar City of Long Shadows City of Bad Decisions City of Last Chances Ilmar is vividly alive with ideas conflicts and a sense of its own history a truly breathtaking fantasy city down every street a compelling story David Towsey A master at the height of his powers This is epic symphonic fantasy weaving a breakneck plot through a sumptuously dangerous world Ian Green A wonderful twisty stew of a book with a cast of fascinating characters set against the brilliantly realized city of Ilmar Django Wexler A triumph of a book wildly imaginative immediately immersive and hypnotically compelling Sharon Emmerichs

**Guns of the Dawn** Adrian Tchaikovsky, 2015-02-12 Guns of the Dawn is a pacey gripping fantasy of war and magic from Arthur C Clarke Award winning author Adrian Tchaikovsky One of the best books I ve ever read Peter Newman author of The Vagrant The first casualty of war is truth First Denland s revolutionaries assassinated their king launching a wave of bloodshed after generations of peace Next they clashed with Lascanne their royalist neighbour pitching war machines against warlocks in a fiercely fought conflict Genteel Emily Marshwic watched as the hostilities stole her family s young men But then came the call for yet more Lascanne soldiers in a ravaged kingdom with none left to give Emily must join the ranks of conscripted women and march toward the front lines With barely enough training to hold a musket Emily braves the savage reality of warfare But she begins to doubt her country s cause and those doubts become critical For her choices will determine her own future and that of two nations locked in battle An engrossing story beautifully told SFX Moving gripping and wonderfully paced The Bookbag
