I Tina:

I, Tina Tina Turner, Kurt Loder, 1987 Ike and Tina Turner were one of the rock sensations of the Sixties Then Tina made a solo comeback and is now one of the top female performers on the pop scene This book tells the story that lies behind her success from her first taste of stardom and the brutality which forced her to leave Ike and the act through the years of obscurity to her return to prominence with her bestselling award winning album *Private Dancer* *Southerners Acting Southern* Tison Pugh, 2025-04-10 What is the difference between a star born in the South and a southern star In *Southerners Acting Southern* Tison Pugh answers this intriguing question pondering the ways in which some performers from the South metamorphose into southern stars by accentuating their geographic and cultural roots as key aspects of their star personas Many celebrities particularly actors seek to transcend their hometown roots in favor of achieving an all American appeal but some stars born in the South build their national and international fan base by emphasizing the southern aspects of their biography and by leaning into regional clichés and stereotypes that percolate throughout the U S cultural imaginary In turn some southern stars trot out the region's hoariest tropes of fading belles gullible country rubes and the succors of southern hospitality only to reveal the shallowness of these stereotypes and of their celebrity personas as well Covering more than one hundred years of cultural history *Southerners Acting Southern* allows readers to gauge the South's often reluctant progress into modernity including discussions on the intersection of race and celebrity for the region's Black stars and its increasing if hesitant embrace of queer ones Chapters feature a wide ranging selection of southern celebrities including Louis Armstrong Truman Capote Elvis Presley Tennessee Williams Andy Griffith Tina Turner Dolly Parton Tom Petty Gloria Estefan Oprah Winfrey Reese Witherspoon Jenna Bush Hager Ellen DeGeneres Tyler Perry Matthew McConaughey Aziz Ansari and Miley Cyrus *Southerners Acting Southern* moves from past to present from musicians to media personalities discerning the ways in which southernness contributes to the building of personal celebrity Altogether this luminous work of cultural criticism reveals that southern stargazing as much as it might initially appear a flighty pastime of overzealous fans divulges deeper truths about the South and the United States as a whole that might otherwise pass unnoticed **Black Diamond Queens** Maureen Mahon, 2020-10-09 African American women have played a pivotal part in rock and roll from laying its foundations and singing chart topping hits to influencing some of the genre's most iconic acts Despite this black women's importance to the music's history has been diminished by narratives of rock as a mostly white male enterprise In *Black Diamond Queens* Maureen Mahon draws on recordings press coverage archival materials and interviews to document the history of African American women in rock and roll between the 1950s and the 1980s Mahon details the musical contributions and cultural impact of Big Mama Thornton LaVern Baker Betty Davis Tina Turner Merry Clayton Labelle the Shirelles and others demonstrating how dominant views of gender race sexuality and genre affected their careers By uncovering this hidden history of black women in rock and roll Mahon reveals a powerful sonic legacy that continues to reverberate into the twenty
