Merton, 2008-10-07 Thomas Merton 1915-1968 was one of the most influential spiritual writers of modern times. A Trappist monk, peace and civil rights activist, and widely praised literary figure, Merton was renowned for his pioneering work in contemplative spirituality, his quest to understand Eastern thought and integrate it with Western spirituality, and his firm belief in Christian activism. His autobiography *The Seven Storey Mountain* is the defining spiritual memoir of its time, selling over one million copies and translating into over fifteen languages. Merton was also one of the most prolific and provocative letter writers of the twentieth century. His letters, those written both by him and to him, are archived at the Thomas Merton Studies Center at Bellarmine University in Louisville, Kentucky; more than ten thousand. For Merton, letters were not just a vehicle for exchanging information but his primary means for initiating, maintaining, and deepening relationships. Letter writing was a personal act of self-revelation and communication. His letters offer a unique lens through which we relive the spiritual and social upheavals of the twentieth century while offering wisdom that is still relevant for our world today.

This carefully planned anthology by a fellow monk and a friend abounds with helpful insights into the life and writings of the most influential spiritual mentor of our time. William H. Shannon, author of *Silent Lamp: The Thomas Merton Story*, a splendid introduction to Thomas Merton in his own words. Selections paint a balanced and rich portrait of the monk, mystic, poet, prophet, and spiritual master. Once again, Father Pennington reveals his intimate knowledge of his subject. E. Discusses Blake, Joyce, Pasternak, Faulkner, Styron, O'Connor, Camus, symbolism, creativity, alienation, contemplation, and freedom. **Through the Year With Thomas Merton** Thomas P. McDonnell, 1985-09-04. A meditation a day from Thomas Merton. This convenient day book is a compendium of inspiring passages from the writings of one of this century's spiritual giants. It offers daily challenges for thoughtful meditation intended to stimulate, provoke, and lead to grace. Here are some enduring thoughts found in these pages: We cannot be happy if we expect to live all the time at the highest peak of intensity. Happiness is not a matter of intensity but of balance and order and rhythm and harmony. Every moment and every event of every man's life on earth plants something in his soul. Nothing is more suspicious in a man who seems holy than an impatient desire to reform other men. Pay as little attention as you can to the faults of other people and none at all to their natural defects and eccentricities. The wise heart lives in Christ. Wisdom manifests itself and yet is hidden. The more it hides, the more it is manifest, and the more it is manifest, the more it is hidden.

For God is known where he is apprehended as unknown and he is heard when we realize that we do not know the sound of his voice God utters me like a word containing a partial thought of himself Our full spiritual life is life in wisdom life in Christ The darkness of faith bears fruit in the light of wisdom Love cannot come of emptiness It is full of reality **Witness to Freedom** Thomas Merton,1994 These letters deal with periods of serious crisis in Merton s life and vocation about which many rumors and half truths were circulated during his lifetime They give readers for the first time in his own words the true details and the behind the scenes facts Things came to a head in 1959 when Merton petitioned the Vatican asking for an indult of exclaustation or release not from the Trappist Order but for a more solitary primitive existence in a monastic life outside the United States Abbot James Fox made a trip to Rome and the indult was not granted Later Merton who despised Communism and advocated Gandhian non violence was forbidden to publish anything against war and nuclear aggression as if it was inappropriate for a monk to oppose war *Thomas Merton--Evil and Why We Suffer* David E. Orberon,2018-06-18 Thomas Merton is one of the most important spiritual voices of the last century He has never been more relevant as new generations look to him for guidance in addressing some of life s biggest questions how can we find God how should we engage with other faiths and how can we oppose violence and injustice Looking carefully one can find tucked away in Merton s prodigious writings his response to another timeless question Why do we suffer Why does an all powerful and all loving God permit evil and suffering By carefully examining all of Merton s work we find that he repeatedly confronted this question throughout most of his adult life Intriguingly Merton s approach to this question changed dramatically a few years before he died in 1968 An examination of all aspects of his life yields evidence that Merton s immersion in Zen during this time contributed most to that change **Thirty Days with Thomas Merton** Connie Clark,Thomas Merton,2015-03 Thomas Merton James Thomas Baker,2014-07-11 Thomas Merton Social Critic organizes and critically analyzes the social thought of the Cistercian monk who has become an internationally known symbol of the spiritual element in man The author evaluated all of Merton s writings published and unpublished then discussed his interpretations with Merton personally The result is a perceptive relation of Merton s social thought to its genesis in his own life experiences and contemplation a faithful rendering of Merton s thought on the problems of our time Merton the author makes clear called for a spiritual social and religious union It was a poetic and sometimes unimplemented solution to alienation and division a valid and authentic if at times limited response to the contemporary chaos This study will be greeted by a strong reaction from Mertonians everywhere **Thomas Merton, Prophet in the Belly of a Paradox** Gerald Sean Twomey,1978 Thomas Merton: God's Messenger on the Road towards a New World Paul R. Dekar,2021-06-02 Thomas Merton God s Messenger on the Road towards a New World highlights the contribution of the best selling North American writer between the Second World War and 1968 The Cistercian monk called people to act justly love kindness and walk humbly By his critique of technology a major impediment for people to follow Jesus by his writing on contemplative prayer by his interfaith outreach and through his

witness against racism war and degradation of nature Merton still matters This book uses Micah 6 8 to organize Merton's focus on justice lovingkindness and humility as well as his dialogue with Rachel Carson Ernesto Cardinal Gandhi Martin Luther King Jr Thich Nhat Hahn and others *The Human Journey* Anthony T. Padovano, 1982 Thomas Merton, Monk and Poet George Woodcock, 1978 Thomas Merton Jonathan Montaldo, 2015-05-19 This volume gathers together twelve essays that Thomas Merton wrote for various journals between 1947 and 1952 the years that saw the publication of his best selling autobiography *The Seven Storey Mountain* his ordination to the priesthood and his initial appointment as spiritual and intellectual guide of the young monks at the Abbey of Gethsemani The essays most of which have never been reprinted focus above all on aspects of the contemplative life but also consider the spiritual dimensions of literature and the social implications of Christian life Issued to coincide with the one hundredth anniversary of his birth this collection brings to fruition at long last Merton's own original plan of publishing these essays as a group and so makes available a previously little recognized and underutilized resource for understanding and appreciating a crucial transitional phase in his life as both monk and writer *Echoing Silence* Thomas Merton, 2007-02-13 When Thomas Merton entered a Trappist monastery in December 1941 he turned his back on secular life including a very promising literary career He sent his journals a novel in progress and copies of all his poems to his mentor Columbia professor Mark Van Doren for safe keeping fully expecting to write little if anything ever again It was a relatively short lived resolution for Merton almost immediately found himself being assigned writing tasks by his Abbot one of which was the autobiographical essay that blossomed into his international best seller *The Seven Storey Mountain* That book made him famous overnight and for a time he struggled with the notion that the vocation of the monk and the vocation of the writer were incompatible Monasticism called for complete surrender to the absolute whereas writing demanded a tactical withdrawal from experience in order to record it He eventually came to accept his dual vocation as two sides of the same spiritual coin and used it as a source of creative tension the rest of his life Merton's thoughts on writing have never been compiled into a single volume until now Robert Inchausti has mined the vast Merton literature to discover what he had to say on a whole spectrum of literary topics including writing as a spiritual calling the role of the Christian writer in a secular society the joys and mysteries of poetry and evaluations of his own literary work Also included are fascinating glimpses of his take on a range of other writers including Henry David Thoreau Flannery O'Connor Dylan Thomas Albert Camus James Joyce and even Henry Miller along with many others
