Try Temptation 1 Ella Frank:

Try Ella Frank,2017-05-03 Try verb to make an attempt or effort to do something or in this case someone Sex Logan Mitchell loves it and ever since he realized his raw sexual appeal at a young age he has had no problem using it to his advantage Men and women alike fall into his bed after all Logan is not one to discriminate He lives by one motto if something interests you why not just take a chance and try And he wants to try Tate Morrison Just coming out of a four year marriage with an ex wife from hell a relationship is the last thing on Tate s mind He s starting fresh and trying to get back on his feet with a new job at an upscale bar in downtown Chicago The only problem is Tate has caught the unwavering and unwelcome attention of Mr Logan Mitchell a regular at the bar and a man who always gets what he wants Night after night Tate fends off the persistent advances of the undeniably charismatic man but after an explosive moment in the bar all bets are off as he finds his body stirring with a different desire than his mind As arrogance stubbornness and sexual tension sizzle between the two it threatens to change the very course of their lives Logan doesn t do relationships Tate doesn t do men But what would happen if they both just gave in and tried

Trust Ella Frank,2017-05-03 TRUST verb to believe in the reliability truth or strength of another Up until now Logan Mitchell has never had much of a reason to trust anyone Having struggled with a self identity crisis throughout college he s spent the years since then creating a sophisticated facade to present to the world It s an armor he thought was impenetrable until he met Tate Morrison The gorgeous headstrong bartender he d sat across from only months ago has taken a tight hold of his heart and Logan is discovering that it s time to let go It s time to let someone inside After years of placing his dreams on hold for his family Tate has finally chosen to do what makes him happy and follow his heart The one thing he never would ve imagined was that it would lead him into the arms of a man and not just any man the striking never takes no for an answer Logan Mitchell Tate has fallen hard and as his world is turned on its axis and they move forward together he finds his life becoming more entwined with the confident successful lawyer Even though neither man expected the other it s time to trust in their relationship but not everything comes so easily

Take Ella Frank,2017-05-03 TAKE verb to reach for and hold in one s hands or get into one s possession power or control Logan Mitchell is a man who s always been more than happy to take what he wants It s a philosophy that s proven lucrative in both his business and personal life and never was it more apparent than the night he laid eyes on Tate Morrison After pulling out all the stops and convincing the sexy bartender to give him a try he s hooked Now Logan finds himself in a predicament that demands more from him than a smart ass answer and his innate ability to walk away when things get too deep He has a choice to make and it ll force him to do something he s never done before take a chance Tate Morrison knows all about taking a chance He took the biggest one of his life the night he showed up at Logan s apartment to explore his unexpected reaction to the man Ever since then he s thought about little else At first he was convinced his attraction was based solely on his body s curiosity But the more time he spends with the silver tongued lawyer the more Tate realizes that their physical

chemistry is only the beginning He s starting to catch a glimpse of what life with Logan would be like and it s one full of excitement and satisfaction a far cry from what he had in the past with his soon to be ex wife Each man will face their fears as they begin to understand the true meaning of give and take Their feelings for one another will be tested as will their very beliefs But now that they ve found love where they least expected it will they be brave enough to reach out and take it

Veiled Innocence Ella Frank,2017-04-18 Tick tick tock Time That s all I have now A small room a photograph and time They want me to trust them and confess my sins They told me they wouldn t judge me they lied I thought we could convince the world that this wasn t a crime We were wrong Time doesn t stand still The clock keeps ticking the world is unconvinced and now Now he is gone *Finley* Ella Frank,2017-04-18 It s time to come home Finn It s been seven years since Daniel Finley left his hometown in Florida for the hustle and bustle of Chicago s city life Since then he s worked hard for his position at the prestigious law firm Leighton Associates even when it s caused distance and isolation from his family and friends But that s all about to change On his thirtieth birthday he receives the one thing he never dared hope for Something that was promised to him years earlier a note One simple sentence from the man he s never been able to forget Six words will forever change the course of their lives Brantley Hayes has it all Or so he thinks When he first made the decision to take a job down in Florida his family thought he was crazy But after years of living in the quiet beach town he finally feels a sense of community He s surrounded himself with friends who are like family has a job he loves and owns a spectacular beachfront property that is his sanctuary Yet he still feels unfulfilled as if a piece of the puzzle is missing and he knows exactly which piece it is On an impulse he follows through with a promise he made years earlier A promise to call home the one he sent away Nothing is as simple as it seems After years of separation the former lovers are reunited but Brantley wasn t expecting to encounter the high walls now guarding Daniel s heart Daniel may not be the same person he was when he left but he knows that the first step to healing is the note in his hand *Devil's Kiss* Ella Frank,2017-04-18 What do you do when the one you least expect to matter Ends up mattering the most Derek Pearson likes to think he s an easygoing guy Uncomplicated upfront and unapologetic with what he wants His what you see is what you get attitude is on prominent display for anyone who cares to look and his foul mouth is right there to back it up should you miss the point However what you see isn t always what you get and only a select few have ever glimpsed the real man under the brash exterior Among them Professor Jordan Devaney Complicated high maintenance and vibrant he s Derek s opposite in every way From the moment they saw each other a love hate relationship began But what happens when one person wants more **Blind Obsession** Ella Frank,2017-04-18 Obsession defined as the domination of one s thoughts or feelings by a persistent idea image or desire Chantel Rosenberg s passion for music and life had never shone brighter than the time she spent in Bordeaux France It s a time when feelings arose and desires ran deep a time that fundamentally changed her life A man living in seclusion Phillipe Tibideau is haunted and plagued by memories he cannot disregard Choosing to live a quiet life in his

Chateau surrounded by the vineyards of France he's left his passion for art behind. However, the time has arrived to tell his side of a tale. A tale that has depicted him as a beautiful monster and he's finally allowing someone close enough to ask questions. Questions he's not sure he wants to answer. Questions about her. For up and coming journalist Gemma Harris the pursuit of truth is what drives her and when a job of a lifetime presents itself there is nothing in the world that will stop her from taking it. Even if it does mean leaving her home for several months to stay at Chateau Tibideau with him. This is a story of what happens when three passionate lovers collide and the desire for truth, art and music merge. Chateau Tibideau is a place full of unanswered questions, dark, sinful desire and a beauty so hauntingly sad it will have you wondering how you will ever leave the same.

Thanos Ella Frank, 2017-04-18 **CHARMED FOR LIFE** Thanos Agapiou has always been a charmer. For over two millennia the vampire had no problem acquiring whom and what he wanted with a flash of his handsome smile. He took for granted the boyish good looks he presumed he'd possess for the rest of eternity. How very wrong he was. A nearly fatal attack distorted his entire existence. With his appearance now matching the title many have bestowed their kind monster, he hides away from the world and all of those who know him, including his Ancient Eton. Until one night when a stranger draws him out from the shadows.

OR CURSED FOR ETERNITY Ever since Paris Antoniou was thrust into a world of vampires, his reality has become stranger than the history and the myths he's studied for the past decade. When he learns the truth about his origins and the power he wields, his confusion and fear have him running for his life. What he doesn't expect is to run into the arms of Thanos, a vampire who doesn't intimidate him as much as he intrigues him.

WHAT HAS THE POWER TO MAKE YOU WANT TO SURVIVE As their worlds collide under extraordinary circumstances, an attraction neither can deny takes hold. But will that be enough to save Thanos from his demons or will he condemn Paris to his fate? Destinies have been changed. Lines have been crossed. And with tales of the vampire race coming to an end, who will make the ultimate sacrifice? After all, in a world run by vampires and gods, only one can be the true Master among the Monsters.
