

UK FOUNDATION PROGRAMME 2023

SITUATIONAL JUDGEMENT TEST (SJT): PRACTICE PAPER WITH ANSWERS

Instructions:

- Thank you for taking the time to complete the UK Foundation Programme SJT Practice Paper.
- In this paper, you will be presented with typical scenarios that Foundation Year One (FY1) Doctors encounter, and you will be asked questions about dealing with them.
- When answering the questions, please consider yourself to be a FY1 Doctor and please answer based on what you **should do**.
- You may sometimes feel you would like more information before answering, but please answer each question based only on the information provided.
- This paper is designed to take **140 minutes**.
- In **Part 1 (Q1-18)** you will be presented with Rating questions. These questions require you to individually rate between 4 and 8 response options per scenario.
- In **Part 2 (Q19-40)** you will be presented with Multiple choice questions. These questions require you to select 3 answers from a choice of 8 for each.
- In **Part 3 (Q41-75)** you will be presented with Ranking questions. These questions require you to rank 5 options for each.
- The questions have been through a thorough review process and the correct answer keys have been determined through concordance analysis using a panel of Subject Matter Experts (SMEs), who are able to provide insight into how a FY1 Doctor should be responding in these situations. The rationale statements have been written by SMEs, which provide an explanation as to why the answer key represents an appropriate response to the given scenario.
- The table below shows the number of marks available for each of the different response formats. A near-miss scoring convention is used, meaning that marks are given based on how close you are to the correct answer.

	Maximum marks available per response	Responses per scenario	Maximum marks available per scenario
Rating	4	Rate between 4-8	Up to 32
Multiple choice	4	Choose 3 of 8	12
Ranking	4	Rank 5	20

Please note:

- Different types of questions are used throughout each section, so please read the instructions for each question carefully.
- Some questions have multiple parts (e.g. Part A, Part B, Part C) – in such cases, each part should be answered independently, even though the context they are set in remains the same across the question. The questions will be clearly labelled (e.g. as 'Part A') within the text.
- There is no negative marking; you are therefore expected to attempt all questions.
