Now that you have looked more closely at political parties and their function in government, choose the political party that you would like to be affiliated with. If you haven't already registered to vote, obtain a voter registration form (or a pre-registration form, if you are not yet 18) from your local town or city hall.

Once you have selected a party or chosen to register as an independent with no party affiliation, answer these questions:

- Why are parties important in government?
- What can parties do for you? For society?
