## **Introduction To Psychology Kalat:**

Introduction to Psychology James W. Kalat, 2005

**Introduction to Psychology Core** James W. Kalat, 2005-03-01

James Kalat's best selling INTRODUCTION TO PSYCHOLOGY CORE EDITION does far more than cover major theories and studies; it encourages you to question the information and ask yourself, "How was this conclusion reached? Does the evidence really support it?" In this student-praised text, Kalat challenges your preconceptions about psychology to help you become a more informed consumer of information not only during your college experience but also as you venture into your post-college life. With his humorous writing style and hands-on "Try It Yourself" exercises, Kalat puts you at ease and gets you involved with even what you are studying. The book's companion CD-ROM includes a gateway to 22 online "Try It Yourself" exercises as well as video exercises that will help you master the material.

**Introduction to Psychology (with APA Card)** James W. Kalat, 2020-01-07

James Kalat's best selling INTRODUCTION TO PSYCHOLOGY does far more than cover major theories and studies; it teaches you how to become better at evaluating information. Hands-on "Try It Yourself" activities and summaries of real research encourage you to ask yourself, "How was this conclusion reached? Does the evidence really support it?" Students praise this streamlined, visually appealing text which invites you to interact with psychological ideas and expands your preconceived ideas about the field of psychology. As a result, you'll become a savvy consumer of information not only during your college experience but also as you venture into your post-college life. With his friendly writing style and many learning tools, Kalat puts you at ease and enables you to participate actively in what you are studying.

**Introduction to Psychology** James W. Kalat, Ruth H. Maki, 1996

In this thorough revision of his best selling text, Jim Kalat does not simply cover psychology's major theories and studies. He creates a more active learning environment that encourages students to question information, asking themselves, "How was this conclusion reached? Does the evidence really support it?" Kalat teaches students to separate what sounds plausible from what can be backed up scientifically, and he shows students how to tell the difference between sound and flawed evidence. He succeeds in getting students to use the scientific method to question assertions and in engaging their interests so they want to know more. Like no other author, Kalat is able to speak directly to students, drawing them into psychological concepts and information in a way that actually changes their approach to learning. Kalat's relaxed conversational writing style, coupled with humor, personal

anecdotes and exercises students can try themselves help make the Sixth Edition an exceptional learning tool **Custom Introduction to Psychology** James W. Kalat,2011-07-06 Custom Intro to Psych - UCSB James W. Kalat,2013-03-12
