Legal Systems and Skills Scott Slorach, Judith Embley, Peter Goodchild, Catherine Shephard, 2013-07-25 An innovative solution to teaching English legal system and legal skills Legal Systems and Skills provides a holistic and contextual understanding of legal systems and skills both academic and professional to underpin and enhance legal studies providing a foundation for graduate employability both within and outside the legal profession **Anti-Money Laundering and the**

Law Engin Erken, Umut Turksen, 2024-08-27 This book provides a distinctive and critical analysis of the anti money laundering AML measures that have been put in place in T rkiye and the United Kingdom The work presents a comparative analysis of if and to what extent the AML regimes in these jurisdictions are fit for purpose in countering some of the most pressing predicate crimes It investigates the AML regimes relating to tackling the riskiest most prevalent predicate crimes that is drug trafficking and tax crimes thereby filling a significant gap within the current literature The study provides insights into the effectiveness and efficiency of national AML frameworks adopted by T rkiye and the UK in addressing

distinct crimes thereby identifying essential features of an optimum AML ecosystem that could effectively address predicate crimes regardless of their nature This novel approach offers a detailed analysis of the law in books and law in practice elements of the AML regimes in Turkey and the United Kingdom which will set the tone for conducting similar studies in other jurisdictions The book will be of interest to academics researchers and policy makers working in the areas of Financial Crime Law Enforcement and Comparative Law Directive 1999/44/EC and the Smart Regulation: Has the Directive Complied with the Principles of Simplicity and Proportionality Under the Smart Regulation Initiative for Consumers in Germany and England and Wales? Zlatka Koleva,2015-02 Consumption is one of the most influential albeit dynamic economic factors of the 21st century and therefore the legal rules and norms governing consumers are radically changing overtime On European level Directive 1999 44 EC has had a significant impact on the legal systems of member states since its regulatory framework conflicts with well established traditions rooted in the legal history of a country This book will explore how and where the directive s norms clash with national law Germany and England and Wales will serve as examples of two opposite approaches towards its implementation Furthermore the effects of the directive s incorporation into these domestic legal systems will be assessed in the light of the Smart Regulation s normative principles of simplicity and proportionality in order to determine whether it has improved the position of the consumer or legal certainty has been once again undermined
