Organizational Behavior Jason A. Colquitt, Jeffery A. LePine, Michael J. Wesson, 2021 Why did we decide to write this text Well for starters organizational behavior OB remains a fascinating topic that everyone can relate to because everyone either has worked or is going to work in the future What makes people effective at their job What makes them want to stay with their employer What makes work enjoyable Those are all fundamental questions that organizational behavior research can help answer However our desire to write this text also grew out of our own experiences and frustrations teaching OB courses using other texts We found that students would end the semester with a common set of questions that we felt we could answer if given the chance to write our own text With that in mind *Organizational Behavior Improving Performance and Commitment in the Workplace* was written to answer the following questions

Wesson,2009-02-01 Colquitt LePine and Wesson s *Organizational Behavior Essentials for Improving Performance and Commitment in the Workplace* represents the most up to date perspective on *Organizational Behavior* OB on the market today Many students leave their OB courses asking questions like Does any of this stuff really matter How does all this stuff fit together If that theory doesn t work why is it in the book and Does this stuff have to be so dry Those questions will never be asked if Colquitt Essentials is used The author team has written a text that highlights the importance of course topics while organizing them around an integrative model of OB The text is also contemporary omitting outdated and disproven models that remain in other texts Most important to students the text is written in an approachable conversational tone with features that students actually want to read Colquitt Essentials is the complete package in a condensed unique and visually stimulating format all without losing the integrity and level of quality we ve come to expect from this author team This text stands out from the competition for four key reasons A Focus on
