The Jesus Style Gayle D. Erwin, 1985 **The Cambridge Magazine**, 1912 *Anytime, Anywhere* William L. Turner, 1997 s to a fresh understanding of personal evangelism Just as Jesus was a faith sharer William L Turner invites today s Christians to follow in those footsteps Unlike other holy men and gurus Jesus doesn t camp on a mountaintop or in a secluded temple waiting for people to seek him out about the spiritual issues of life He travels through the countryside and roams the city streets He shares his faith his convictions with the people he meets William L Turner **An Introduction to Christian Spirituality** F. Antonisamy, 2000 *Cambridge Magazine*, 1912 **The Granta**, 1890 *The Historical Christ* Bruce W. Behrman, 2023-02-16 This book uses the recent findings of cognitive and clinical psychology to draw a picture of the historical Jesus The author uses recent research on conversational memory and clinical psychology in order to shine a light on the way Jesus was This book argues that Jesus suffered from manic depressive illness He identified with God He suffered from extreme mood changes and felt great compassion towards people All of these are mental states which may be triggered by manic depression Manic depression is not a dementing illness This author is not saying that Jesus suffered from a backward type of psychosis But manic depression when manifested in talented persons acts as a catalyst to trigger artistic creativity Many great artists and poets have suffered from manic depression Byron Schumann Tennyson van Gogh Fitzgerald and Lowell to name a few It is among great poets and artists such as these that the author places the historical Jesus This book therefore argues that the writers of the Gospels when they record Jesus as asserting his divinity were conveying an accurate picture of him His assertions of divinity were not fabrications of the early church *Prophetic Evangelism* Sean Smith, 2011-07-28 You have been God ordained to be on a collision course with the destiny of the multitudes You are going to launch into a fresh empowerment becoming fiery agents of transformation The quest for truth is on summoning a new breed of marketplace prophetic evangelists to rise to the challenge Prophetic Evangelism issues an invitation to reinstate prophecy to its rightful place in evangelism This book reveals that God wants to speak through you directly into the conscience of unbelievers It s time to break free from futility and frustrations to experience a release that will see heaven freshly populated with souls that you ve impacted Get ready to see 21st Century evangelists fully restored to the original New Testament status You hold the key to the outcome of your generation *The Cantab* Shane Leslie, 1926 *The Life You've Always Wanted Bible Study Participant's Guide* John Ortberg, 2013-05-15 In the six session small group Bible study *The Life You've Always Wanted* John Ortberg guides you and your group through the spiritual disciplines and teaches you how they can transform your spiritual life What does true spiritual life really look like And what keeps you from living it What can you do to pursue it If you re tired of the status quo if you suspect there s more to Christianity than what you ve experienced John Ortberg invites you to join him on a road to transformation and spiritual vigor that anyone can take Cultivate new intimacy and confidence in

Textual Criticism and the Synoptic Problem in Historical Jesus Research Hyeon Woo Shin, 2004 The criteria for originality priority and authenticity used in textual criticism the study of the Synoptic Problem and historical Jesus research share one basic similarity they were all designed to distinguish a prior tradition from its later developments All these areas of research investigate the transmission process which involves both preservation and alteration The sets of criteria used in one area are thus analogous to the sets of criteria used in the other two areas This assumption can be confirmed by observing numerous instances of such similarity in these sets of criteria On the basis of this assumption many other instances of similarity may be newly attained by adapting the set of criteria used in one area for use in the other two areas The sets of criteria for these three areas of research can be further generalized into a mother set of criteria which will provide us with a degree of methodological unification in these disciplines
