Writing First with Readings Laurie G. Kirsznar, Stephen R. Mandell, 2005-09-28 Writing First teaches the basics of writing and grammar in the context of students' own writing. Along with a comprehensive treatment of the process of writing paragraphs and essays, it helps students develop the fundamental writing skills they need to succeed in college and beyond. By providing students with more help in the areas they most need, it addresses grammar, ESL, and high-stakes test-taking. The third edition of Writing First better addresses the realities of the developmental writing course.
