A Rose For Emily:

A Rose for Emily William Faulkner, 2000 *A Rose For Emily* William Faulkner, 2013-03-19 Miss Emily Grierson is a newly departed spinster who led a mysterious life in relative isolation. Although regarded as a touch eccentric, it is only after her death when a decidedly shocking discovery is found in her house that the people of Jefferson, Yoknapatawpha County realize just how strange Emily's truly life was. Although primarily known for his novels, William Faulkner wrote in a variety of formats including plays, poetry, essays, screenplays, and short stories, many of which are highly acclaimed and anthologized. Like his novels, many of Faulkner's short stories are set in fictional Yoknapatawpha County, a setting inspired by Lafayette County where Faulkner spent most of his life. His first short story collection, *These 13* (1931), includes many of his most frequently anthologized stories, including *A Rose for Emily*, *Red Leaves*, and *That Evening Sun*. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Joseph Robinette, William Faulkner, 1983 **A Rose for Emily by William Faulkner** William Faulkner, 1930-04 *A Rose for Emily* is a short story by American author William Faulkner, first published on April 30, 1930, in an issue of *The Forum*. The story takes place in Faulkner's fictional Jefferson, Mississippi, in the equally fictional county of Yoknapatawpha. It was Faulkner's first short story published in a national magazine. The story opens with a brief first-person account of the funeral of Emily Grierson, an elderly Southern woman whose funeral is the obligation of the town. It then proceeds in a non-linear fashion to the narrator's recollections of Emily's archaic and increasingly strange behavior throughout the years. Emily is a member of a family of the antebellum Southern aristocracy. After the Civil War, the family falls into hard times. She and her father were the last two survivors of that branch of the family. Emily's father refused to allow her to marry. Her father dies when Emily is about the age of 30, which takes her by surprise. For several days, she refuses to give up his corpse, insisting he is not dead. The townspeople write it off as her grieving process. They pity Emily for losing her father but also for his not having allowed her to marry. Emily depended heavily on her father, believing he would never leave her; he was all she had. After her father's death, the only person seen moving about Emily's home is Tobe, a black man serving as Emily's butler. He is frequently seen entering and exiting the house for groceries. Although the reclusive Emily did not have a strong relationship with the town, she did give art lessons to young children until she was 40. She did so as she was running out of money. With the acceptance of her father's death, Emily somewhat revives, even changing the style of her hair and becoming friendly with Homer Barron, a laborer from the North who comes to town shortly after Mr. Grierson's death. The connection surprises some of the community, while others are glad she is taking an interest. However, it is stated that Homer liked men, and it was known that he drank with younger men at the Elk's Club; that he was not a marrying man, which draws attention to Homer's sexuality, but an exact conclusion cannot be drawn. Emily buys arsenic from the town's druggist but refuses to give a reason.

so he assumes it is to kill rats Some townspeople are convinced that she will use it to poison herself Emily s distant cousins are called into town by the minister s wife to supervise Miss Emily and Homer Barron Emily is seen in town buying wedding presents for Homer including a monogrammed toilet set Homer leaves town for some time reputedly to give Emily a chance to get rid of her cousins and returns three days later after the cousins have left After he is observed entering Miss Emily s home one evening Homer is never seen again leading the townsfolk to believe he ran off

The Function of Imagery and Symbolism used by William Faulkner in "A Rose for Emily" Daria Poklad,2016-10-12 Seminar paper from the year 2009 in the subject English Language and Literature Studies Literature grade 1 3 language English abstract William Faulkner s short story A Rose for Emily is often regarded as a story of horror with gothic elements due to its creepy and shocking final scene Moreover different themes such as the loss of beloved ones isolation and the refusal to accept change are covered in this story There is also a variety of popular readings of A Rose for Emily emphasizing the conflict between the North and the South or the conflict between individual and the community between the past and the present between men and women The question is of how the author depicts such complexity of character emotion and setting Faulkner himself said that in a short story almost every word has got to be almost exactly right Petry 54 As a result almost every word in a short story has a greater meaning which is achieved using imagery and symbolism Imagery is the representation of experiences of the senses which uses descriptive but also figurative language whereas symbolism is used by writers to invest objects actions or ideas with a symbolic meaning The symbols convey special meanings to the reader standing for one single idea or many This paper will analyze the function and use of imagery and symbolism in A Rose for Emily focusing on the functions of the house how the picture of Emily is drawn the function of the town the characterization of the men in the protagonist s life then the aspect of time and finally the attempt to analyze the symbol of the rose in the title trying to reveal a much imagery and symbolic meaning as possible It will be shown that a Rose for Emily is complex and rich in imagery symbolism and ambiguity used by Faulkner to characterize people describe relations and atmosphere
