Combat Operations BattleTech:

BattleTech Legends: Operation Excalibur William H. Keith, 2018-11-17 BETRAYED BY THEIR OWN KIND The mercenary code was broken by the Gray Death Legion during their desperate fighting on the planet Caledonia At least that is the ruling of the courts And the judges decide to hit below the belt Grayson Carlyle revered leader of the now outlawed mercenary band is stripped of his title and holdings and the legion is banished from Glengarry the planet they've called home for years AND ON A HUNT FOR JUSTICE All seems lost but Carlyle and his legendary troop of hardened warriors know they've been set up and they have a trump card yet to play Their dangerous scheme just might work with the help of House Steiner and enough guts and firepower to restore the name and the might Gray Death Legion to its rightful place of honor But should they fail they could lose a great deal more than their reputation

BattleTech: Embers of War Jason Schmetzer, 2016-03-01 WHAT PRICE HONOR For Ezra Payne and the Stealthy Tiger mercenaries professionalism is everything Hired to assist in the bitter bloody fighting on the planet Hall they quickly earn a decisive victory for their employer They settle in afterward for a needed period of rebuilding and a few months peace before moving on to the next contract But their respite does not last More mercenaries hired by the Allied Mercenary Command itself land on Hall They believe the Tigers employer to be in league with the Word of Blake a shadowy interstellar organization that worships technology and which has been building its own empire among the worlds around Terra The Tigers want nothing of this battle but war rages across the Inner Sphere The hard fought ceasefire cannot last even on Hall and when every faction is embittered and fueled by fervor peace has no chance at all As this insidious new conflict erupts will the Stealthy Tigers BattleMechs be enough to save them Or will the looming threat of renewed war engulf them in its fiery embrace
