The Complete Green Letters Miles J. Stanford, 1983 Five volumes on sanctification published under one cover presenting biblical foundations and keys to spiritual growth in Christ It includes Abide Above The Green Letters The Ground of Growth The Principle of Position and The Reckoning That Counts     **The One Another Principles** ,     The Tithe James DeFazio, 2007-07 Prosperity theology is questionable at best yet many church leaders teach and some even demand the tithe of the Old Covenant as a method of giving This volume explains how to free oneself from the legalism of law and to give with the freedom and liberty of grace as led by the Holy Spirit Social Issues     **Eternal Security** Lloyd A. Olson, 2007-11 This book is a must read for three reasons First no other book can compare It is the most comprehensive work affirming Eternal Security in the history of Christendom Second Dr Olson uses his experience gained as a Lutheran pastor and evangelist to compare the arguments for and against eternal security side by side Third critical aspects of theology underlying Eternal Security that are customarily overlooked or avoided are integrated into each passage as a Theological Tidbit     *Awake and Arise the Dying of the American Church* Dr. Stan Mars, 2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don t make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God s church God s way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey

**Truth Seeker: Mormon Scriptures & The Bible** Warren M Mueller, 2014 Are Mormons Christians What do they believe How do their beliefs compare with other Christian religions I have been impressed by the dedication of Mormon missionaries the beauty of the Mormon Tabernacle Choir and the majestic architecture of Mormon temples I have known several Mormons and they seem to be family oriented people who live out their faith in tangible ways As American culture drifts towards situation ethics and values based on surveys Mormons are like other Christians in that they tend to be conservative and look to their Church and Scriptures for guidance This interest and curiosity led me to study Mormon scriptures and compare them with the Bible Each chapter of Truth Seeker Mormon Scriptures The Bible is a summary of each of the books that make up The Book Of Mormon The Pearl of Great Price and Doctrines Covenants This is followed by a discussion of internal inconsistencies differences from the Bible and historical problems In order to provide a balanced discussion the views of a devout Mormon Dr Jordan Jensen are included Brigham Young University and Latter day Saint LDS web sites were used to answer questions I still had after completing my review and to fill in gaps in my understanding of

some doctrines and beliefs The result of these efforts is a book that provides insights into Mormonism and how it compares and deviates from other Christian churches The essence of the deviations are founded in the idea that Mormonism extends clarifies and sometimes replaces Biblical teachings based on revelations given to Joseph Smith and subsequent LDS prophets
