

The background of the book cover is a photograph of a vast, arid landscape. A prominent feature is a large, flat-topped rock formation, likely a mesa or butte, with a reddish-brown hue. A vibrant rainbow arches across the sky above the formation. In the foreground, a dark asphalt road curves through the terrain. Several small, colorful spheres (red, blue, and white) are scattered along the road, possibly representing atoms or molecules. The sky is filled with soft, grey clouds.
