**GENERAL ENGLISH** Safriyani Novitri, S. Pd., M. Pd., Dr. Miranti Eka Putri, S.Pd., M. Ed., 2025-06-11 One of the core areas of study is parts of speech which include nouns pronouns verbs adverbs adjectives conjunctions and interjections Each of these plays a specific role in constructing meaningful sentences and conveying clear messages By learning how to identify and correctly use these elements you will improve your ability to write and speak accurately in a variety of contexts In addition to parts of speech this book also introduces phrasal verbs which are commonly used in everyday English You will also begin to expand your vocabulary which is crucial for expressing ideas more precisely Mastery of these topics not only strengthens your grammatical knowledge but also equips you with the tools to engage more confidently in academic social and professional settings

**BASIC ENGLISH** Lanlan Muhria, Nana Supriatna, Rully Khoeru Solihin, Moch Agus Sulis Setiawan, 2025-11-20 Basic English An Introduction to English as General Communication is an academically grounded instructional text designed to support the development of foundational English proficiency among beginning learners in higher education The book provides a systematic and comprehensive introduction to essential linguistic components including parts of speech basic grammatical structures fundamental sentence patterns core vocabulary and introductory pronunciation offering learners a clear framework for understanding how English functions as a communicative system Structured with pedagogical precision each chapter presents key concepts through concise explanations illustrative examples

and carefully sequenced activities that promote both conceptual understanding and practical application. The material reflects contemporary approaches in English language education that emphasize clarity, learner engagement, and stepwise progression. By integrating elements of the four core skills, the text supports the development of balanced communicative competence. A significant strength of this textbook lies in its attention to contextual relevance. The learning tasks and examples are grounded in everyday communication, enabling students to relate new knowledge to familiar situations. This approach not only fosters comprehension but also encourages the active use of English in academic, social, and personal contexts. The book's learner-centered orientation makes it accessible to students with diverse linguistic backgrounds and varying degrees of prior exposure to the English language. Designed for introductory courses, the text is suitable for both structured classroom instruction and guided independent study. It provides instructors with a reliable pedagogical resource and offers students a coherent pathway for establishing the foundational skills necessary for more advanced language study. Basic English thus serves as a valuable academic tool for institutions seeking to strengthen early-stage English proficiency and promote effective, evidence-informed language learning.
