Essay Collection Advancing Future Generations-Population Issues in Indonesia and Korea Getar Hati, Abigail Trinita Solin, Hanifa Arneta Rahmah Rausyanfikri, Essay Collection Advancing Future Generations Population Issues in Indonesia and Korea It is with great pride that I introduce the Essay Collection Advancing Future Generations Population Issues in Indonesia and Korea a product of the World Population Day Conference hosted by the Korea Indonesia Connection KIC FISIP UI on 16 17 July 2024 This collection of 23 essays offers valuable insights into the pressing population challenges faced by both Indonesia and Korea reflecting the collaborative efforts of scholars and experts dedicated to shaping a better future Social scientists in particular can study population issues in Indonesia and Korea by examining various demographic factors such as birth rates migration patterns and aging populations Research in Korea may concentrate on issues associated with an aging population and declining birth rates whereas research in Indonesia may concentrate on urbanization and regional disparities By contrasting these cases we can gain understanding of how cultural and policy issues influence population patterns and the wider effects they have on society This book is an important outcome of the cooperation between the Korea Foundation and FISIP UI I am confident that this book will serve as an important resource for academics policymakers and the broader community inspiring continued dialogue and action on these vital issues

Debt management Great Britain: Parliament: House of Commons: Business, Innovation and Skills Committee, 2012-03-07 This report highlights four main areas of ongoing concern relating to debt management regulation of consumer debt payday loans debt management companies and the Money Advice Service It makes a number of recommendations for future Government action including reforms for higher licensing fees to be charged for higher risk credit businesses for a fast track procedure be put in place to suspend credit licenses and for the new regulator be given the power to ban harmful products The Financial Services Bill did little to clarify the way in which the consumer credit market is to be regulated The Committee also wants be certain that the payday loan industry adheres to the highest standards either through the codes of practice that are currently being developed or failing that by the new regulator Regulations also need to be introduced to ensure that debt management companies publish the cost of their debt advice and their outcomes if an agreement cannot be reached during discussions with the industry Furthermore effective auditing of debt management companies client accounts needs to be established The Money Advice Service needs to provide details of its business plan Given that the legal aid budget for such services is being cut by 75% the Minister's assertion that there will be no diminution of face to face debt advice is confusing The Money Advice Service will be up and running by April and yet its remit and in particular its relationship with highly respected brands such as Citizens Advice remains unclear
