Introduction to Personal Finance John E. Grable,Lance Palmer,2021-12 A unique aspect of Introduction to Personal Finance is its pedagogical framework Rather than force students to wade through page after page of densely written material that must fit within a limited number of chapters this text offers fewer chapters with more topics The point of a topicbased text is to make financial literacy topics fun to learn easy to read and quick to digest Each chapter and topic has been updated and examined for clarity and inclusivity and revised as needed to reflect the most recent data available at time of publication Your interaction with and use of money is a lifetime journey This text will help prepare you to successfully navigate the financial decisions in your life We will provide you with the tools both conceptual and functional that will enhance your financial literacy and capabilities What do we mean by financial literacy Some have described financial literacy as financial education or being financially knowledgeable Some think financial literacy is the same as having a background in economics Others define financial literacy as being a streetwise consumer **Consumer News & Reviews** ,1996 Personal Finance Arthur J. Keown,2001 New edition of a text that introduces the concepts tools and applications of personal finance and investments Keown Virginia Polytechnic Institute and State U ties topics together through the use of basic principles or axioms in order to educate the student in the discipline of personal finance not just the procedures The 18 chapters cover financial planning managing money insurance protection managing investments and retirement and estate planning Includes a workbook Annotation copyrighted by Book News Inc Portland OR **Personal Financial Literacy Student Edition -- Cte School** Jeff Madura,Michael Casey,Sherry Roberts,2018-06-04
