How To Get Into Her Pants:

No Time to Lie Lexi Blake,2022-09-13 A grandmaster of lies and deception Drake Radcliffe has spent half his life in the shadows Recruited by the CIA when he was barely out of high school Drake doesn't know how to have a normal life While most people his age were playing sports or video games he was playing spy games with the world's most dangerous adversaries It has been a life filled with thrills and adrenaline but it's also been lonely All that might change when a mistake from Drake's past rears its ugly head and he's forced to face the only woman he ever loved the one he'd vowed to stay away from A beacon of love and compassion Taylor Cline committed the cardinal sin in her world she fell for another operative Drake was everything she wanted in a man until he broke her heart She had one unforgettable night with him and then he never looked back Her future threatened and family in ruins she shut down and moved on hoping to never see him again Just as she is beginning to put it all behind her a critical assignment puts her under his authority and right back in his arms A deadly mission that brings them together From the wilds of Wyoming to the glittering cities of Europe Drake and Taylor must race against time to uncover the truth and expose an evil organization The stakes couldn't be higher If they fail the world could crumble If they succeed they could finally have everything their hearts desire
