Couto, 2010-09-14 This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on political and civic leadership This 2 volume set focuses on the 100 most important topics issues question and debates specific to politics and civic society Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry while avoiding much of the jargon detail and density one might find in a journal article or a research handbook chapter Key Features Includes entries written by a global panel of renowned experts Offers broad coverage of important of the moment topics related to political and civic leadership including explorations of the personalities and environments of political leaders leadership roles in governance and allegiance citizen activists and civic engagement political campaigning urban politics and leadership public management ethics in politics policy development and implementation executive management of public opinion political speechmaking and the bully pulpit congressional leadership

crisis management and more. Considers the history of political and civic leadership with examples from the lives of pivotal figures as well as the institutional settings and processes that lead to both opportunities and constraints unique to the political realm. Provides students with more depth than usual encyclopedic entries while avoiding the jargon detail and density of more advanced works. Features an approachable and clear writing style with appeal to undergraduate researchers and offers a list of further readings after each entry as well as a detailed index and an online version of the work to maximize accessibility for today's students.

Gender and Women's Leadership Karen O'Connor, 2010-08-18. This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on leadership issues specific to women and gender. Although covering historical and contemporary barriers to women's leadership and issues of gender bias and discrimination, this two-volume set focuses as well on positive aspects and opportunities for leadership in various domains and is centered on the 101 most important topics, issues, questions, and debates specific to women and gender. Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry but lack the jargon detail and density of a journal article. Key Features: Includes contributions from a variety of renowned experts. Focuses on women and public leadership in the American context: women's global leadership, women as leaders in the business sector, the nonprofit and social service sector, religion, academia, public policy, advocacy, the media, sports, and the arts. Addresses both the history of leadership within the realm of women and gender with examples from the lives of pivotal figures and the institutional settings and processes that lead to both opportunities and constraints unique to that realm. Offers an approachable, clear writing style directed at student researchers. Features more depth than encyclopedia entries with most chapters ranging between 6,000 and 8,000 words while avoiding the jargon and density often found in journal articles or research handbooks. Provides a list of further readings and references after each entry as well as a detailed index and an online version of the work to maximize accessibility for today's student audience.

Leadership in Nonprofit Organizations Kathryn A. Agard, 2011. Leadership in Non-Profit Organizations tackles issues and leadership topics for those seeking to understand more about this dynamic sector of society. A major focus of this two-volume reference work is on the specific roles and skills required of the non-profit leader in voluntary organizations. Key features include contributions from a wide range of authors who reflect the variety, vibrancy, and creativity of the sector itself; an overview of the history of non-profit organizations in the United States; description of a robust and diverse assortment of organizations and opportunities for leadership; an exploration of the nature of leadership and its complexity as exemplified in the non-profit sector; availability both in print and online. This title will form part of the 2010 Encyclopedia Collection on SAGE Reference Online. The Handbook includes topics such as personalities of non-profit leaders, vision and starting a nonprofit organization, nonprofit law, statutes, taxation and regulations, strategic management, financial management, collaboration, public relations for promoting a non-profit organization, human resource policies and procedures.

The Leadership Handbook John C. Maxwell, 2015-02-03 The most effective leaders across a wide variety of spectrums have achieved their success by beginning their journey with a question few bother to ask How do I lead myself As New York Times bestselling author and leadership expert John C Maxwell says A leader never has to recover from a good start So when a leader takes root by firmly establishing themselves in their field of expertise preparing for every risk and failure imaginable the fruit of their endeavors will spread throughout their career and impact profoundly those in whom they invest In The Leadership Handbook Maxwell presents 26 insights intended to help build the leader within not only those aspiring to new positions of leadership but also those veterans who aim to improve upon the steps that led them to the front of the line Readers will enjoy and benefit immensely from Maxwell s highly relatable principles such as The Best Leaders Are Listeners Keep Your Mind on the Main Thing Don t Manage Your Time Manage Your Life Keep Learning to Keep Leading People Quit People Not Companies And many more With application exercises and a Mentoring Moment to accompany each chapter The Leadership Handbook presents a road map for a path many may cross but few choose to follow
