Choices, Choices!

It's time for spring break in town! Summer means great fun like when an explorer goes on a quest all week. They want to plan all kinds of fun things to do, like fishing, hiking, hiking, swimming, and more. They are hoping for some sunny, enjoyable weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast to see whether before making final plans.

When you make predictions you use information from a story or document to determine what will happen next.

Monday	Tuesday	Wednesday	Thursday	Friday
				
a bright sun with a steady high of 84	partly cloudy with a high of 82 and an afternoon thunderstorm high of 88	lightning showers with gusts that clearing that cooler with a high of 86	partly sunny with a high of 88	partly cloudy with a high of 85

- 1. Tuesday and the cloud seem to be the best day for fishing. On which day(s) might they not want to go fishing?
- 2. Which day would be the best day for swimming?
- 3. On which days do you think the family might wear jeans and jackets?

Aligns With Current Standards!

Reading Comprehension Workbook Manual
