Enzyme - Correct Answers -catalysts that speed up chemical reactions

Substrate - Correct Answers -the reactant that an enzyme acts on

Reactant - Correct Answers -a substance that takes part in and undergoes change during a reaction

Catalyst - Correct Answers -a chemical agent that speeds up a reaction without being consumed by the reaction

Energy of Activation - Correct Answers -the initial energy needed to start a chemical reaction

Allosteric Regulation - Correct Answers -it may either inhibit or stimulate an enzyme's activity; a molecule binds to a protein at one site and affects the protein's function at another site

If an enzyme in solution is saturated with substrate, the most effective way to obtain a faster yield of products is to - Correct Answers -add more of the enzyme

Some bacteria are metabolically active in hot springs because - Correct Answers -their enzymes have high optimal temperatures

If an enzyme is added to a solution where its substrate and product are in equilibrium, what will occur? - Correct Answers -Nothing; the reaction will stay at equilibrium.

The value of ΔG can be used to determine - Correct Answers -if a reaction will be spontaneous or will require additional energy to take place

How do enzymes catalyze reactions? - Correct Answers -By lowering E_a level. Enzymes don't affect ΔG but they speed up reactions that would occur eventually

Nullifying God H. Robert Wilson Ph.D.,2018-01-01 Evolution and Creation are in a spiritual battle Evolution scientists ignore dismiss and unequivocally reject Creation out of hand It is not science or fact as evolution is they say However Nullifying God shows that random Darwinian evolution does not have the direct evidence required to support the claim Not only that but it provides contrary evidence that evolution is biologically impossible Because that is the case evolution can only persist in the unchallengeable authority it needs to maintain its position by actively attempting to nullify its alternative Creation and therefore the Bible and God Nullifying God was especially written to empower and benefit believers who are not familiar with science to show them that evolution cannot be fact and is not science It does so by 1 providing them with a core foundation of applied science principles to rationally question evolution s claims then 2 guiding them into solid clear knowledge of why evolution is biologically impossible and finally 3 presenting them with examples that document evolution s attempts to nullify God The bottom line is Biblical Creation is the only answer that explains life
