**German Post-Expressionism : The Art of the Great Disorder 1918-1924**, German Post-Expressionism is the first study to reconstruct historically the evolution of Die neue Sachlichkeit, the slogan coined as a designation for the Post-Expressionist figural art that developed throughout Germany following the failed revolution of 1919. Rather than starting with the moment this Post-Expressionist movement was christened with a slogan in 1923, Crockett investigates the sources and precepts of Post-Expressionism beginning with the anti-Expressionist stance of Dada in 1918 and the loss of faith in Expressionism on the part of some of its chief supporters during 1919-20. *Art of the 20th Century* Karl Ruhrberg, Klaus Honnef, Manfred Schneckenburger, Christiane Fricke, 2000. The original edition of this ambitious reference was published in hardcover in 1998 in two oversize volumes 10x13. This edition combines the two volumes into one in its paperbound flexi cover; the paper has a plastic coating, smaller 8x10, and affordable for art book buyers with shallower pockets. None of whom should pass it by. The scope is encyclopedic; half the work originally; the first volume is devoted to painting, the other half to sculpture, new media, and photography. Chapters are arranged thematically, and each page displays several examples in color of work under discussion. The final section, a lexicon of artists, includes a small black and white photo of each artist, as well as biographical information and details of work, writings, and exhibitions. Ruhrberg and the three other authors are veteran art historians, curators, and writers, as is editor Walther. c. Book News, Inc. The Art of Peter Bergting Peter Bergting, 2023-05-09. Explore the dark, mystical, and mysterious work of Peter Bergting, collected for the first time in a gorgeous hardcover volume with an introduction by award-winning horror writer and longtime collaborator Christopher Golden. Bergting's repertoire of fantasy, horror, and sci-fi illustrations includes comics, magazines, novels, and games, and he's worked in collaboration with creative giants like Mike Mignola. Award-winning comics artist and illustrator Peter Bergting showcases a body of work nearly 30 years in the making.
