Der Junge Hegel:

Der Junge Hegel György Lukács, 1954 *Genesis and Structure of Hegel's "Phenomenology of Spirit"* Jean Hyppolite, 1974 Jean Hyppolite produced the first French translation of Hegel's *Phenomenology of Spirit*. His major works, the translation, his commentary, and *Logique et existence* (1953) coincided with an upsurge of interest in Hegel following World War II. Yet Hyppolite's influence was as much due to his role as a teacher as it was to his translation or commentary. Foucault and Deleuze were introduced to Hegel in Hyppolite's classes, and Derrida studied under him. More than fifty years after its original publication, Hyppolite's analysis of Hegel continues to offer fresh insights to the reader.

A Reading of Hegel's "Phenomenology of Spirit" Quentin Lauer, 2024-10-22 Available in a new digital edition with reflowable text suitable for e-readers. The first edition of this title was much acclaimed as the leading interpretation and exposition of Hegel's *Phenomenology of Spirit*. This revision, based on continuing research, keeps this book in the forefront of Hegelian scholarship. The author has made additions and corrections to his reading of this Hegel's most important work, and he provides an excellent interpretation of Hegel's language in all of its complexity. To scholars, it will remain an indispensable study, and students new to Hegelian philosophy will find it approachable and clear.

Der junge Hegel György Lukács, 1954 *Clio the Romantic Muse* Theodore Ziolkowski, 2004 It is not sufficiently appreciated, I believe, how profoundly *Clio*, the muse of history, permeated every aspect of thought during the Romantic era: philosophy, theology, law, natural science, medicine, and all other fields of intellectual endeavor. Thoughtful students of the period will understand that Romanticism is not merely a literary or aesthetic movement but rather a general climate of opinion. From the Introduction in a book certain to be of interest to readers in many disciplines, the distinguished scholar Theodore Ziolkowski shows how a strong impulse toward historical concerns was formalized in the four German academic faculties: philosophy, theology, law, and medicine/biology. In *Clio the Romantic Muse*, he focuses on representative figures in whose early work the sense of history was first manifested: G. W. F. Hegel, Barthold Georg Niebuhr, Friedrich Karl von Savigny, Friedrich Wilhelm Joseph von Schelling, and Friedrich Schleiermacher. Through biographical treatments of these and other leading German scholars, Ziolkowski traces how the disciplines became historicized in the period 1790-1810. He goes on to suggest how powerfully the Romantic thinkers influenced their disciples in the twentieth century.

[Dialectic and Gospel in the Development of Hegel's Thinking](#) Stephen Crites, 2010-11-01

Georg Lukács Werke: Der junge Hegel György Lukács, 1948 **Brokenness and Reconciliation** Christian Danz, Marc Dumas, Werner Schüßler, Bryan Wagoner, 2020-09-07 Too often we see reality in black and white, overlooking nuances that require the discernment of tensions between the brokenness of our world and our desires for reconciliation. Yet the gap between wounding words and actions and the hope for acts of reconciliation can lead to even more violence and despair. The authors of this volume explore these tensions and the valences of brokenness and reconciliation in Paul Tillich's thought. Together they contribute to a richer understanding of the thought of the German-American theologian.

and philosopher his commitments and the constructive interpretations his work can induce for us today Think of the ruptures and efforts of dialogue among divided Christian churches or the commitment of the social worker reflect on how love as agape or the courage to be can be at the heart of this constructive work or consider the reconciliation processes of peoples torn apart by violence to mention a few contributions from this volume Collectively these contributions raise the hope of a Tillichian creative justice a hope that can stimulate a broad audience to go beyond the superficiality and instantaneity of social media to something deeper more enduring and transformative
