Reading in the Digital Age: Young Children's Experiences with E-books Ji Eun Kim,Brenna Hassinger-Das,2019-07-23 This edited book focuses on affordances and limitations of e books for early language and literacy features and design of e books for early language and literacy print versus e books in early language and literacy development and uses of and guidelines for how to use e books in school and home literacy practices Uniquely this book includes critical reviews of diverse aspects of e books e g features and e book uses e g independent reading for early literacy as well as multiple examinations of e books in home and school contexts using a variety of research methods and or theoretical frames The studies of children s engagement with diverse types of e books in different social contexts provide readers with a contemporary and comprehensive understanding of this topic Research has demonstrated that ever increasing numbers of children use digital devices as part of their daily routine Yet despite children s frequent use of e books from an early age there is a limited understanding regarding how those e books are actually being used at home and school As more e books become available it is important to examine the educational benefits and limitations of different types of e books for children So far studies on the topic have presented inconsistent findings regarding potential benefits and limitations of e books for early literacy activities e g independent reading shared reading The studies in this book aim to fill such gaps in the literature *Human-Computer Interaction* Masaaki Kurosu,Ayako Hashizume,2025-05-31 This seven volume set constitutes the refereed proceedings of the Human Computer Interaction thematic area of the 27th International Conference on Human Computer Interaction HCII 2025 held in Gothenburg Sweden during June 22 27 2025 The HCI Thematic Area constitutes a forum for scientific research and addressing challenging and innovative topics in Human Computer Interaction theory methodology and practice including for example novel theoretical approaches to interaction novel user interface concepts and technologies novel interaction devices UI development methods environments and tools multimodal user interfaces emotions in HCI aesthetic issues HCI and children evaluation methods and tools and many others **Children's Books and Their Creators** Anita Silvey,1995 Unique in its coverage of contemporary American children s literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations **The Bloomsbury Handbook of Children's and Young Adult Literature in Education** Katrina Bartow Jacobs,Patricia Crawford,2026-02-19 This handbook covers the content form and implications of children s and young adult literature within the sphere of education Filming the Children's Book Hermansson Casie Hermansson,2018-12-19 Just as a work of self reflexive metafiction and the experience of reading it differ from other types of literature the work and the experience of viewing films that adapt metafiction are distinct from those of other films and from other film adaptations of literary works This book explores the adaptation of children s metafictions including works such as

Inkheart The Invention of Hugo Cabret and the Harry Potter series Not only are the plot devices of books and reading explored on screen in these adaptations but so is the nature of transmedial adaptation itself the act of representing one work of art in another medium Analysing the work done by children s metafiction and the experience of reading it Casie E Hermansson situates the adaptations of these types of books to film within contemporary adaptation criticism Resources in Education ,1991-10 **Children's Mathematical Frameworks 8-13** Kathleen M. Hart,1989 An early grasp of fundamental mathematical ideas such as place value fractions measurement equations and ratio is essential to children s later mathematical development all these topics are identified in the National Curriculum Children s Mathematical Frameworks 8 13 provides primary and secondary maths advisers teachers and student teachers with comprehensive information on how mathematical problems are commonly presented and interpreted and the problems children encounter in attempting to understand and apply them The book also provides assistance in assessing levels of performance and will be helpful in determining programmes of study for Key States 2 and 3 in the National Curriculum This book should be of interest to OREAD **An Open Book: What and How Young Children Learn From Picture and Story Books** Jessica S. Horst,Carmel Houston-Price,2016-01-21 Looking at and listening to picture and story books is a ubiquitous activity frequently enjoyed by many young children and their parents Well before children can read for themselves they are able to learn from books Looking at and listening to books increases children s general knowledge understanding about the world and promotes language acquisition This collection of papers demonstrates the breadth of information pre reading children learn from books and increases our understanding of the social and cognitive mechanisms that support this learning Our hope is that this Research Topic eBook will be useful for researchers as well as educational practitioners and parents who are interested in optimizing children s learning **Children's Librarianship** Sheila G. Bannister Ray,1979 William Thacker is the owner of a bookshop in the heart of Notting Hill in London One day the world s most famous actress Anna Scott comes into his shop So begins a tale of romance Illinois Reading Council Journal ,2019 Bulletin of the Center for Children's Books ,1973 **The International Journal of Children's Rights** ,1994 Picture this ,2003 Bulletin of the Children's Book Center ,1955 *Children's Catalog* Anne Price,Juliette Yaakov,1996 Childrens' Catalog H.W. Wilson Company,1986 The 1st ed includes an index to v 28 36 of St Nicholas **Focus on the Child** Judith Elkin,Ray Lonsdale,1996 In this critical analysis of library services to young people in Britain the authors assess the degree to which the needs of the child are being met by libraries in the face of societal changes and economic pressures Offering a broad conceptual framework and philosophical approach to the subject this book should be of value to students and practitioners alike *The Literary News* Frederick Leypoldt,1898 **2004 Children's Book Market** Ellen Hopkins,Susan Heyboer O'Keefe,2004 **Children's Literature Abstracts** ,1985
