could easily be one of the characters and yes even the murderer EXCERPT FROM THE BOOK Other than its inventive plot a major reason for the success of this first novel was the quirky yet captivating character of Hercule Poirot who was inspired by the Belgian refugees living in England whom Agatha had met during the First World War She recalled that they had a hard time understanding the British way of doing things and preferred to assimilate as little of British life as possible Throughout the 1920s Agatha completed to write and produced one of her greatest successes The Murder of Roger Ackroyd in 1926 This novel was a sensation with the reading public because of its unexpected and even shocking ending and was so popular that it was made into a movie in 1931 Alibi which marked the first film appearance of Hercule Poirot The 1930s however proved to be Agatha s most productive time as a writer During this decade she wrote a total of 14 Poirot novels and two Miss Marple novels as well as two books featuring the character Superintendent Battle two story collections featuring the characters Harley Quin and Mr Parker Pyne four additional mystery books two plays and a novel under her pseudonym Mary Westmacott Buy a copy to keep reading
