Race, Gender, and Citizenship in the African Diaspora Manoucheka Celeste, 2016-07-01 Winner of the National Communication Association's 2018 Diamond Anniversary Book Award With the exception of slave narratives there are few stories of black international migration in U S news and popular culture This book is interested in stratified immigrant experiences diverse black experiences and the intersection of black and immigrant identities Citizenship as it is commonly understood today in the public sphere is a legal issue yet scholars have done much to move beyond this popular view and situate citizenship in the context of economic social and political positioning The book shows that citizenship in all of its forms is often rhetorically representationally and legally negated by blackness and considers the ways that blackness and representations of blackness impact one's ability to travel across national and social borders and become a citizen This book is a story of citizenship and the ways that race gender and class shape national belonging with Haiti Cuba and the United States as the primary sites of examination Ramblings of Faith Kawuma Kayiwa, Zane Mathews, Zane Mathews, 2005-09 It is hard to live This book presents a psychological approach to coping with suffering It is a wonderful title to people recovering from Tsunami terrorists attacks floods or earthquakes It restores self confidence into people who have lost loved ones friendships jobs or sources of income Face to Face with Grief shows the way forward after some devastating news Without belittling your feelings for the loss of your loved one demeaning the pain of joblessness and poverty blaming you for your circumstances Face to Face with Grief uses the counseling and experience of others to dig you out of your own grave It will help you to modify and control your anger doubts hatred and help you think through your goals guide your life course decisions and let you design your lasting relief from your problems **Do Not Fall in Love with a General** Angerona, 2013-01-10 The decision to publish this book was dictated the authors heavy experience with Internet fraudsters When she finally realized that she was deceived she found over the Internet a lot of similar victims She familiarized herself with their different distress so she could attempt to combat against Internet impostors and raise awareness in others so they wouldn't fall for scams Also she wishes to offer some entertainment for readers The book contains the online diary that reveals a great love between the author and a general in the US Army in Iraq and her selfless assistance in resolving different complications of his shipment The diary also reveals conditions of her life in the former communist country where as a widow she struggled for survival and in raising two children She unveils her experience of severe loss at the death of her son and when she was still struggling with the loss she encountered with general who helped her to overcome mental crisis and restore her Christian faith which was cultivated in her by her grandparents but abandoned by parents because of the situation in the communist regime She lost all property and much more to rescue a consignment accompanied by a diplomatic courier of the United Nations Time events the year of 2011 Defacing the Music Reggie Legend, 2017-08-10 If you're a Christian who loves Hip Hop then this book is for you The original intent of music was to bring glory and honor to

the name of God as the Creator of all things Yet like all men born into this earth music has been corrupted by the very thing that mankind was created to subdue sin When Nas rapped that Hip Hop is dead it was personal and it hurt Yet Hip Hop died long before Nas eulogized it It died the moment its words were birthed into the world without God at its center Adding insult to injury Hip Hop s memorial gets defaced every time lyrics and beats are created without the intent to praise God produced by artists who are sold out for their own kingdom name and fame instead of the LORD s But this book isn t meant to be doom and gloom there s Good News Like mankind Hip Hop needs to be reformed Take a look at the image below We ve all played musical chairs Every time the music breaks a chair is removed from the circle displacing one person as another takes the last coveted spot In this image God the Chairman of Music has lost His seat in what Psalm 22 3 calls the praises of Israel a place He was meant to inhabit There s treble brewing in music when God gets removed Even so this book is not about removing godless Hip Hop music altogether it s about the hope of Hip Hop s restoration At the end of the day it s all about God being the foundation of music the bass if you will no trouble
