The Book Of Deuteronomy Joe Mander,2019-09-19 The Book of Deuteronomy is the fifth book of the Old testament Deuteronomy was written around 1406 BC at the end of the forty years of wandering endured by the nation of Israel At the time the people were camped on the east side of the Jordan River on the plains of Moab across from the city of Jericho They were on the verge of entering the land that had been promised centuries earlier to their forefathers The children who had left Egypt were now adults ready to conquer and settle the Promised Land Before that could happen the Lord reiterated through Moses His covenant with them Introduction to the Book of Deuteronomy and why study this book The book of Deuteronomy contains Moses s final words to the children of Israel before they entered the land of Canaan with

Joshua as their leader The book s title means second law or repetition of the law Moses repeated to the Israelites many of the laws and commandments that were part of their covenant with the Lord Moses also exhorted the Israelites to remember and keep their covenant as he taught them the consequences of either obeying or disobeying the Lord s laws and commandments As students study Deuteronomy they will learn the importance of looking to past spiritual experiences and remembering to keep the laws covenants and commandments of the Lord so that they can have the same promises of prosperity and protection as ancient Israel Structure Chapters 1 4 The journey through the wilderness from Horeb Sinai to Kadesh and then to Moab is recalled Chapters 4 11 After a second introduction at 4 44 49 the events at Mount Horeb are recalled with the giving of the Ten Commandments Heads of families are urged to instruct those under their care in the law warnings are made against serving gods other than Yahweh the land promised to Israel is praised and the people are urged to obedience Chapters 12 26 the Deuteronomic code Laws governing Israel s worship the appointment and regulation of community and religious leaders social regulation and confession of identity and loyalty Chapters 27 28 Blessings and curses for those who keep and break the law Chapters 29 30 Concluding discourse on the covenant in the land of Moab including all the laws in the Deuteronomic code after those given at Horeb Israel is again exhorted to obedience Chapters 31 34 Joshua is installed as Moses s successor Moses delivers the law to the Levites a priestly caste and ascends Mount Nebo or Pisgah where he dies and is buried by God The narrative of these events is interrupted by two poems the Song of Moses and the Blessing of Moses Features Perfect for personal use or to give as a gift to celebrate special occasions like graduations baptisms birthdays or achievements Easy to read Two column text 47 Pages **Vessels of Wrath, Volume 1** Richard M. Blaylock,2023-08-17 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In *Vessels of Wrath* Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Old and New Testaments Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity **The Book of Deuteronomy: Revised Version** ,1918 **Theology of the Old Testament** Walter Brueggemann,2012-06-01 In this powerful book Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh the God of Israel This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of
