Conservative Investors Sleep Well Philip A. Fisher, 1975 *Common Stocks and Uncommon Profits and Other Writings* Philip A. Fisher, 1996-06-11 First published in 1958 this book allows investors to trace some of today's most popular investment philosophies back to their genesis Philip A Fisher's investment principles are studied and applied by today's finance professionals including Warren Buffett *The Making of a Market Guru* Aaron Anderson, 2010-05-03 Ken Fisher is founder and CEO of Fisher Investments an independent money management firm managing over 35 billion as of Dec 31 09 for individuals and institutions And Fisher has written the monthly Portfolio Strategy column for Forbes magazine for the last twenty five years since 1984 making him so far the fourth longest running columnist in the magazine's history During this time he's seen everything from the stock market crash of 1987 and the great bull markets of the 1980s and 1990s to the Tech bubble of 2000 and the global market meltdown of 2008 Now with *The Making of a Market Guru* you'll gain an insightful look at Fisher's prolific career over the years and discover the high profile market calls he's made so far in these monthly columns At times engaging and timely at others revealing and informative this book is a sweeping look at a recent and eventful slice of stock market history You'll read about what's changed but you'll be more amazed by what hasn't And you'll see investing wisdom that still applies now and for the foreseeable future from a quarter century of Fisher's concise and witty market wisdom Preceding Fisher's columns for each year are a few pages of commentary putting them in historic context pointing out areas that are still salient and others where Fisher's perspective has changed over the years highlighting key points that deserve extra attention Chapter by chapter this book offers practical investment advice from a leading market voice while Looking at Fisher's market analysis over the years and providing an industry insider's view of major and not so major market events Examining how Fisher called three of the last four bear markets Showing that what many commonly think impacts markets doesn't and some very surprising things that do impact markets that few are aware of And much more The more things change the more they stay the same at least when it comes to investing And seeing history through the eyes of a market guru can help improve your overall investment endeavors today If you take the time to read this unique historic compilation you'll be taking your first steps to understanding how to become your own market guru **Financial World**, 1915 Journal of Financial Education, 1978 *Philip A. Fisher Collected Works, Foreword by Ken Fisher* Philip A. Fisher, 2012-05-29 A classic collection of titles from one of the most influential investors of all time Philip A Fisher Regarded as one of the pioneers of modern investment theory Philip A Fisher's investment principles are studied and used by contemporary finance professionals including Warren Buffett Fisher was the first to consider a stock's worth in terms of potential growth instead of just price trends and absolute value His principles espouse identifying long term growth stocks and their emerging value as opposed to choosing short term trades for initial profit Now for the first time ever Philip Fisher Investment Classics brings together four classic titles written by the man who is known as the Father of Growth Investing

Common Stocks and Uncommon Profits was the first investing book to reach the New York Times bestseller list Outlining a 15 step process for identifying profitable stocks it is one of the most influential investing books of all time Paths to Wealth Through Common Stocks expands the innovative ideas in Fisher s highly regarded Common Stocks and Uncommon Profits and explores how profits have been and will continue to be made through common stock ownership asserting why this method can increase profits and reduce risk Also included is Conservative Investors Sleep Well and Developing an Investment Philosophy Designed with the serious investor in mind Philip Fisher Investment Classics puts the insights of one of the greatest investment minds of our time at your fingertips
