something quite magical about forming a connection to a book the way in which the words on the page can conjure feelings  
of excitement fun joy laughter or tears channeling the part of our being that fundamentally makes us human The journey that  
children take as they travel towards becoming a competent and confident reader can be a long winding and complex road  
This book helps teachers understand how to build a quality reading rich curriculum that supports the needs of all the  
children in their classroom Starting with a section on choosing texts the book goes on to explore a variety of essential

children's stories or escapist entertainment belittles their importance When examined closely we see that monsters have

But in many ways monsters also represent our growing awareness of ourselves and our changing place in a continually
