boosts the country's refining capacity and provides a reliable supply of fuel for its heavy industries. Indeed, manufacturing continues to play a significant role with the 3bn project to build a sixth potline for Aluminium Bahrain representing the company's largest expansion since potline five came on stream in 2005. The kingdom's financial sector has long been a dominant player in the region and despite increasing competition from emerging financial centres in the region continues to benefit from an advanced regulatory framework, an educated workforce and a relatively low cost environment. *Log Home Living*, 1997. *Log Home Living* is the oldest, largest and most widely distributed and read publication reaching log home enthusiasts.
