Manufacturing and distribution

Get industry-specific experience built in

Infor M3 and Infor M3 Cloud offer multi-functional capabilities—combined with highly productive new technologies for supply chain visibility and lean manufacturing—developed over years of working with some of the best companies in the world. Designed for medium to large national and global manufacturers, distributors, and aftermarket service providers, M3 provides industry-specific process support and functionality for all on-going processes, and an industry-leading user experience. Flexible deployment options and implementation factors yield a low total cost of ownership and a return on investment.

Unique industry needs, purpose-built solutions

Infor M3 delivers industry-leading functionality for the automotive, distribution, equipment, fashion, and food and beverage industries, as well as for a broad range of process and discrete industrial manufacturing industries. Infor M3 offers unique flexibility in operations, technology, and scale. M3 supports single and multi-company organizations, multi-site, multi-currency and can penetrate your organization to adapt to changing business needs. It is available in 25 languages, and supports local requirements for 71 countries.

Built for the digital age

Digital transformation is impacting all manufacturing and distribution businesses. No matter how complex their supply chain is, manufacturers must be able to respond faster to change, reduce excess inventory, and cut costs. Most importantly, manufacturers must deliver to customers with what's been promised, and on time. To keep up with the pace of change requires an agile and modern ERP solution that is flexible enough to handle both the open business and changes in an open business face to day—and tomorrow.

Infor M3 delivers rich industry-specific functionality for core and que-
business needs.
