Intelligent Fanatics Project How Great Leaders Build Sustainable Businesses:

Intelligent Fanatics Project Sean Iddings,2016-08-12 How does a great company sustain and grow profits for decades Most people call to mind Warren Buffett s analogy of a moat various defenses to thwart competition But moats are fleeting they are here today and gone tomorrow The more important question is who builds and maintains moats Intelligent fanatics do These leaders build high performance organizations that can dominate for decades The Intelligent Fanatics Project uncovers the stories of eight intelligent fanatics who built dominant and enduring businesses A 1 000 investment with each of these intelligent fanatics on average would have been worth 3 4 million thirty seven years later a 24 6% compounded annual return They operated in a wide array of industries in different time periods different continents and in different economic backdrops yet their leadership styles strategies corporate cultures and values were similar Intelligent fanatics are what every entrepreneur aspires to be and what every long term investor dreams of finding and investing in early Sean Iddings and Ian Cassel weave together the common traits amongst intelligent fanatics to help both the investor and entrepreneur generate extraordinary returns *Intelligent Fanatics Project* Sean Iddings,2016-04 Mapping Motivation for Top Performing Teams James Sale,2020-12-14 Mapping Motivation for Top Performing Teams is the final volume in a series of books that are all linked to the author s Motivational Map toolkit Each book builds on a different aspect of personal team and organisational development This book using the Motivational Map the Team Motivational Map as well as the Organisation Motivational Map is a practical guide to understanding how team dynamics and success are hugely influenced by motivational factors which are not usually taken into account The book is a deeper exploration of team mapping which occurs in Chapter 6 of Mapping Motivation 2015 Chapter 6 of Mapping Motivation for Engagement with Steve Jones 2019 and Chapter 6 of Mapping Motivation for Leadership with Jane Thomas 2020 But whereas these chapters only touched on specific aspects of team dynamics this book covers the issues more comprehensively it also attempts to avoid replication of materials although there are bound to be small overlaps It covers not only how motivations affect team productivity and how this can be boosted through targeted Reward Strategies but also how mapping provides profounder insights into the four key characteristics of top performing teams the clear remit vital interdependency strong belief and real accountability How Motivational Maps covers these areas we believe to be original eye opening and effective in the management of change Further as always with Motivational Maps its language and metrics raise self awareness at an individual and team level and so can help resolve conflicts through its common and non judgmental language Managing teams is the key skill of managers thus this book is a handbook for managers everywhere who wish to excel at management for without bringing their teams on board i e motivating their teams they are not effectively managing *Intelligent Fanatics* Sean Iddings,Ian Cassel,2017-11-22 We help you accumulate and internalize the experiences of nine relatively unknown intelligent fanatic giants We also contrast their leadership styles against less successful companies during the time period The intelligent fanatic blueprint holds true

across every time period continent and industry *Global Sustainability* Mark Lefko, 2016-11-15 Smart business leaders care about Sustainability It's not just good PR it's good business and a growing number of leading CEOs are embracing it Mark Lefko's *Global Sustainability* examines this vital subject from the perspective of today's most influential business leaders *Global Sustainability* means ensuring that everyone on Earth has what they need to survive and thrive But in order for this to be feasible and sustainable businesses need to be able to turn a profit Lefko shares profound insights gleaned from his one on one interviews with business leaders of all stripes from the CEOs of Global Multinationals Fortune 50 giants to visionaries leading plucky startups Learn from these CEOs and others Sir Richard Branson Virgin Group Paul Polman Unilever Ann Sherry Carnival Australia Feike Sijbesma DSM David MacLennan Cargill Marc Benioff Salesforce In exclusive interviews these 21 leading CEOs explain How the *Global Sustainability* movement is shaping the growth of the most profitable companies around the world How your company can participate fully in this movement and profit from your participation How your guiding ethical principles shape your company's identity and why they're vital to your survival *Global Sustainability* is about more than just doing good it's about doing well by doing good **Business on a Mission** Andy Last, 2021-12-30 *Business on a Mission* is a simple to follow guide for how organisations can adapt to the changing world and evolving expectations of stakeholders to build more purpose led sustainable businesses It features proven models and case study examples of how to create a brand that talks to the emerging Gen Z consumer base how to use social missions to drive sales in retail and with B2B customers how to preserve reputation and licence to operate by working in partnership with not for profit organisations and how to attract and retain the best talent by demonstrating a genuine social purpose As well as clear applicable models and behind the scenes descriptions of how successful campaigns were built and sustainable change made this book features candid interviews with change makers from the worlds of retail professional services consumer goods and NGOs This second edition looks at how businesses and brands like Dove are now linking social and environmental goals with an exclusive interview with Unilever CEO Alan Jope It explores how investors are now driving a systemic change in focus in the boardroom towards the sustainability agenda and how leaders can respond to this featuring a new interview with Frank Cooper Global Chief Marketing Officer and member of the Global Executive Committee at BlackRock The impact of the pandemic on what it means to be a sustainable brand including a focus on sustainable supply chains the growing power of Gen Z the growth of online purchasing multi stakeholder partnerships increased regulation and culture at work is also explored This book has been read enjoyed and used by business leaders to identify models for change by managers to create progressive campaigns by NGOs to create stronger partnerships with the private sector and by students to learn how theories of social purpose and sustainability can be applied in the real world The first edition was Bronze winner of the AXIOM Business Book Award in the category of Philanthropy Non Profit Sustainability [Green Giants E.
