

SHL Numerical Reasoning Pack

Practice Tests

Here you can find practice tests for the **interactive** and **non-interactive** versions of the test.

If you are not sure what version you are going to take, you can use these tips to find out:

In the invitation mail you have received from SHL, there is information that can help you understand if the test is interactive or non-interactive: If in the test instructions, you see the terms "activity-based", "drag and drop" or "interact with questions" it means you got the interactive version. If you are told the questions are multiple-choice and there will be four or five response options, it means you got the non-interactive version.

	Interactive Version >	Practiced : 0/3
	Non-interactive Version >	Practiced : 1/10
	Extra Practice >	Practiced : 0/18
