Prioritizing Academic Programs and Services Robert C. Dickeson, 2010-01-06 This newly revised best-selling classic *Prioritizing Academic Programs and Services* continues to offer a proven, step-by-step approach to reallocating resources in tough times. This updated text includes templates available also online for prioritizing communications plans to ensure more successful campus implementation and to avoid mistakes. Based on the author's extensive consulting experiences including serving several hundred two- and four-year colleges and corporations ranging from hospitals to bank holding companies, this revised edition is necessary and timely for the current economic concerns affecting colleges and universities.

Student Mental Health and Wellbeing in Higher Education Nicola Barden, Ruth Caleb, 2019-08-26 Good mental health is essential for students to manage the challenges that university life presents. This book offers pragmatic guidance to support academic and student services staff in engaging with this critical issue both in terms of being proactive within their role to promote a positive approach to wellbeing and understanding how to care appropriately for students who may not be flourishing in the university environment. Key topics include: The pressure points and transitions of student life; The crucial role of departmental and academic staff; How to make mental health policies work.
