

# Skillful Reading & Writing

Teacher's Book **1**

Every student needs top class reading and writing skills to succeed at an academic level. *Skillful* focuses on these two skills to give presentation, instant practice and complete immersion in those language skills. It offers students the opportunity to develop language skills by presenting them with ideas from today's world, while building critical thinking skills that are vital for academic success.

This is taken even further with a focus on study skills, providing students with practical guidance and support, and building confidence for independent learning throughout their university career.

## *Skillful Reading & Writing Teacher's Books offer:*

- a comprehensive digital component including a page-faithful **Digibook** and *Skillful practice* area with full markbook, interactive activities and video material for use in class;
- background information on the topics covered in each unit to support the teacher as well as supporting critical thinking boxes to reinforce the approach;
- photocopyable unit assignment sheets to use when assessing the final productive task in each unit and useful language sheets to help support discussion activities;
- a bank of specialist essays, written by experts to underpin the *Skillful* approach.
