## **Social Media Literacy Primer:**

*Digital Literacy* Susan Wiesinger, Ralph Beliveau, 2023 The second edition of *Digital Literacy* provides a highly focused exploration of key critical concepts in understanding digital media in a clear engaging and accessible way for an introductory audience Core to the books approach is its comparison of digital literacy perspectives across different cultures highlighting the significant disparity in digital privacy and regulation of technology companies across countries to expand on the discourse surrounding modern digital engagement Prescient issues are examined in depth such as decline of traditional media rise of Big Tech and erosion of privacy and democratic ideals Important themes explored in chapters across the book include digital Identity the internet as infrastructure the web as a collaborative tool and domestic and global digital divides The new edition also explores digital literacy and the pandemic as well as the growing body of research around the effects and impact of the digital technologies we use every day There are also useful Applied Skills Appendices outlining core areas of digital practice The text is an ideal resource for students and scholars of mass communication media literacy digital information literacy and digital technology courses as well as for all those wanting to know more about the deep on going impact of communication technologies on our lives

*My Phone Lies to Me* Alexandra Juhasz, 2022 This book of poems about fake news written by diverse project participants is foremost an invitation and invocation for readers to participate with others in an experiment in knowing and working differently with the internet Fake News Poetry Workshops Between 2018 and 2020 Alexandra Juhasz directed more than twenty of these workshops around the world and these are ongoing beyond the confines of this book Each differs in form and structure but participants are always asked to attend to research their own knowledge about the internet and social media and what they can learn from their workshop and previous ones *My Phone Lies to Me* shares the poems created in the workshops As moving eloquent and useful as they may be and you are invited to indulge in and learn from them enjoying and learning from the poems is only a small part of this book s project Four short essays two by Juhasz with a foreword and afterword by critical internet scholars Tara McPherson and Margaret Rhee respectively introduce and situate the project s processes of radical digital media You can learn what Fake News Poetry Workshops make do and believe in as well as how to collaborate with others to create your own Fake News Poetry Workshops are one way to counter dominant and dominating internet modes and values to fight the corrupt ways of being and knowing that use digital media to create fuel and weaponize fake news The project verifies good news in the face of fake news that we can gather together in our many local places and use analog structures about digital things and ways to generate hold and share art answers to phony questions

*eGirls, eCitizens* Jane Bailey, Valerie Steeves, 2015-04-23 *eGirls eCitizens* is a landmark work that explores the many forces that shape girls and young women s experiences of privacy identity and equality in our digitally networked society Drawing on the multi disciplinary expertise of a remarkable team of leading Canadian and international scholars as well as Canada s foremost digital literacy organization MediaSmarts this

collection presents the complex realities of digitized communications for girls and young women as revealed through the findings of The eGirls Project [www.egirlsproject.ca](http://www.egirlsproject.ca) and other important research initiatives Aimed at moving dialogues on scholarship and policy around girls and technology away from established binaries of good vs bad or risk vs opportunity these seminal contributions explore the interplay of factors that shape online environments characterized by a gendered gaze and too often punctuated by sexualized violence Perhaps most importantly this collection offers first hand perspectives collected from girls and young women themselves providing a unique window on what it is to be a girl in today s digitized society Published in English
