Social Work In Canada An Introduction:

Social Work in Canada Steven F. Hick, Jackie Stokes, 2016-07-15 Social workers seek to make a positive difference in people's lives. But what is it like to be a social worker? What exactly do social workers do to help individuals, families, and communities discover their own unique strengths and overcome difficult barriers? This updated and expanded edition introduces the major concepts and contemporary issues in Canadian social work. It encourages students to consider social work as a career path and to join other professionals in helping people make positive changes in their lives and communities. Features of this new edition: Thoroughly updated by a nationwide team of Canadian authors and contributors. Compelling stories from the field providing a sense of what it's like to be a social worker today. A new chapter on social work practice in the field of mental health. Up-to-date coverage of developments in Indigenous social work theory and practice. A survey of the unique history of social work practice in Quebec. Career profiles of social work activists and practitioners from coast to coast. Book jacket: *Social Work in Canada* Steven F. Hick, Associate Professor in the School of Social Work, Steven Hick, 2009-03. *Social Work in Canada* is a comprehensive introduction to the major concepts and contemporary issues in Canadian social work. Intended primarily for university and college-level social work courses, this book will also be useful for allied health professionals seeking a basic understanding of the field. This book fills a need for an introductory-level text written from a truly Canadian perspective. This book emphasizes the importance of being clear about one's values and world view before beginning to practice social work. From publisher's website: **An Introduction to Social Work Practice in Canada** Shankar A. Yelaja, 1985. *Case Critical* Ben Carniol, 2005. A classic text in social work education. *Case Critical* opens the door on Canada's social services from the perspective of social workers themselves and service users or cases—people whose voices we rarely hear. This completely revised and updated fifth edition includes new interviews and topics of discussion to reinforce Carniol's passionate case for social work as liberation practice. *Africentric Social Work* Delores V. Mullings, 2021-05-31T00:00:00Z. This edited collection focuses on Africentric social work practice, providing invaluable assistance to undergraduate students in developing foundational skills and knowledge to further their understanding of how to initiate and maintain best practices with African Canadians. In social work education and field practice, students will benefit from the depth and breadth of this book's discussions of social health and educational concerns related to Black people across Canada. The book's contributors present a broad spectrum of personal and professional experiences as African Canadian social work practitioners, students, and educators. They address issues that African Canadians confront daily, which social work educators and potential practitioners need to understand to provide racially and culturally relevant services. The book presents students with an invaluable opportunity to develop their practical skills through case studies and critical thinking exercises, with recommendations for how to ethically and culturally engage in African-centred service provision. *History of Canadian Social Welfare: Oxford Bibliographies Online Research Guide* Oxford University Press, 2010-05-01.

This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com) Canadian Social Policy Anne Westhues,2006 What are the major issues confronting social policy makers today What theoretical perspectives shape our thinking about the causes of social problems and how we should respond What can we do to influence decision makers about which policy choice to make In this completely revised and updated edition of Canadian Social Policy a new generation of social policy analysts discusses these important questions Readers who are interested in discovering the current policy debates and who want to understand the policy making process at various levels of government as well as how they can influence the process and assess whether policies are working will find this book invaluable Encyclopedia of Canadian Social Work Francis J. Turner,2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide Social Work in Canada Steven Hick,2008 **Canadian Books in Print** ,1999 **Subject Guide to Books in Print** ,1991 Project information-exchange 1976 : an inventory of studies, briefs and social action projects Canadian Council on Social Development,United Way of Canada,1976 Social Work Practice with the Elderly Marvin David Feit,Michael J.
