Soul Intro To The Chicken:

Play Like Jaco Pastorius Jon Liebman, Jaco Pastorius, 2016-06-01 Play Like Study the trademark songs licks tones and techniques of the world's greatest jazz fusion bassist Jaco Pastorius This comprehensive book audio teaching method provides detailed analysis of Pastorius gear techniques styles songs riffs and more Each book comes with a unique code that will give you access to audio files of all the music in the book online This pack looks at 15 of Jaco's most influential songs including Birdland The Chicken Donna Lee Portrait of Tracy Teen Town and more Includes foreword by Robert Trujillo

Musical Prodigies Gary E. McPherson, 2016-08-26 Child prodigies have been observed in a range of disciplines particularly music mathematics chess and art The question of what makes a prodigy has long been controversial Some have dismissed the notion of giftedness arguing that most famous prodigies had strong parental cultural and environmental influences that helped them develop their extraordinary abilities One recent theory suggested that anyone could achieve outstanding success in whatever endeavour they wanted with a minimum of 10 000 hours of practice Nevertheless many studies of prodigies have suggested that there might be strong underlying cognitive differences regarding their use of short term versus long term memory spatial memory imagery and language Whatever the arguments for those interested in child development prodigies remain a fascinating subject of study when considering questions about creativity intelligence development and the impact of nature versus nurture This book breaks new ground in presenting the first scientific exploration on the topic of musical prodigies It brings together research from a range of disciplines including psychology neurobiology and genetics to provide a thorough exploration of prodigious talent In addition the book includes fascinating case studies of prodigies and also looks at their long term development into adulthood many child prodigies have had problems making the transition into adolescence and adulthood Musical prodigies will be required reading for anyone interested in child development music and the arts
