House of Commons,1854 Apologetic Discourse and the Scribal Tradition Wayne Campbell Kannaday,2004 It is commonly acknowledged that the original manuscripts of Matthew Mark Luke and John did not survive the exigencies of history What modern readers refer to as the canonical Gospels are in fact compositions reconstructed from copies transmitted by usually anonymous scribes Apologetic Discourse and the Scribal Tradition examines an important facet of the fascinating but seldom reported story of the interests that shaped the formation of the text of the New Testament With an informed awareness of the dynamic discourse between pagan critics and early defenders of early Christianity and careful scrutiny of more than one hundred variant readings located in the literary tradition of the New Testament text the author drafts a compelling case that some scribes occasionally modified the text of the Gospels under the influence of apologetic interests Paperback edition is available from the Society of Biblical Literature [www.sbl site org](http://www.sbl-site.org) **Distance Education in India** S.
