## **Black Wave Michelle Tea:**

**Black Wave** Michelle Tea, 2016-08-22 This metaliterary end of the world novel is scary funny and genre bending wonderfully strange yet completely universal and true Jill Soloway creator of *Transparent* Desperate to quell her addiction to drugs and alcohol disastrous romance and nineties San Francisco Michelle heads south to LA But soon it s officially announced that the world will end in one year and life in the sprawling metropolis becomes increasingly weird While living in an abandoned bookstore dating Matt Dillon and keeping an eye on the encroaching apocalypse Michelle begins a new novel a meta textual exploration to complement her vows to embrace maturity and responsibility But as she tries to make queer love and art without succumbing to self destructive impulses the boundaries between storytelling and everyday living begin to blur and Michelle wonders how much she ll have to compromise her artistic process if she s going to properly ride out doomsday

*The Default World* Naomi Kanakia, 2024-05-28 A trans woman sets out to exploit a group of wealthy roommates only to fall under the spell of their glamorous hedonistic lifestyle in tech bubble San Francisco Years after fleeing San Francisco and getting sober Jhanvi has made a life for herself working at a grocery co op and saving for her surgeries But when her friend and sometimes more Henry mentions that he and his techie festival goer friends spent 100 000 to transform a warehouse basement into a sex dungeon Jhanvi starts wondering if there s a way to exploit these gullible idiots She returns to San Francisco hatching a plan to marry Henry for his company s generous healthcare benefits Jhanvi enters a world of beautiful decadent fire eaters and their lavish sex parties But as her pretensions to cynicism and control start to fade she develops a Gatsbyesque attraction to these happy young people and their bold claims of unconditional love But do any of her privileged new friends really like or accept her Her financial needs expose the limits of a community built on limitless self expression and soon she has to choose between doing what s right and doing what s right for her This darkly funny novel skewers privileged leftist millennial tech culture and asks whether found family is just another of the 21st century s broken promises

*Against Memoir* Michelle Tea, 2018-05-08 The PEN Award winning essay collection about queer lives Gorgeously punk rock rebellious *The A V Club* The razor sharp but damaged Valerie Solanas a doomed lesbian biker gang recovering alcoholics and teenagers barely surviving at an ice creamery these are some of the larger than life yet all too human figures populating America s fringes Rife with never ending fights and failures theirs are the stories we too often try to forget But in the process of excavating and documenting these queer lives Michelle Tea also reveals herself in unexpected and heartbreaking ways Delivered with her signature honesty and dark humor this is the first ever collection of journalistic writing by the author of *How to Grow Up* and *Valencia* As she blurs the line between telling other people s stories and her own she turns an investigative eye to the genre that s nurtured her entire career memoir and considers the price that art demands be paid from life Eclectic and wide ranging A palpable pain animates many of these essays as well as a raucous joy and bright curiosity *The New York Times* Queer counterculture beats loud and proud in Tea s stellar collection Publishers
