[Blood Oath](#) Morgan B Lee, 2024-03 Everbound University is the mandatory graduate school for anything that goes bump in the night Not going isn't an option unless you want to be hunted down for illegally inhabiting the mortal world All legacies the descendants of the Four Houses are required to attend because we're all cursed and the only way to break our curses is through binding our hearts in a quintet Becoming part of a quintet is a dream come true Destiny fulfilled A god's given merciful blessing For me it's a hard pass I can't be bound to anyone else Trust me it wouldn't end well

So when I'm placed in a quintet I promptly reject all four of my matches for their own good. But these powerful, gorgeous, high-profile legacies must have no idea how to handle rejection because the cutthroat blood fae shows me his soft side. The charming dragon shifter won't leave me alone. The unhinged nightmare prince calls me darling. And the gorgeous ice elemental is as overprotective as he is cold. They're the kind of deadly perfection that draws attention, which is exactly what I'm trying to avoid since no one can know my secret. I'll do whatever it takes to make them decide I'm not worth the chase. The problem is no matter what I do to make them hate me, it only seems to have the opposite effect. This is a why-choose-reverse-harem paranormal romance. If you like fated mates, multiple POV, dark academia, a variety of possessive guys who are unhinged for their girl, and an equally broken but determined FMC, this series is for you. Intended for 18 readers due to strong language, violence, dark themes, and explicit sex scenes, including group sex. No M/M. No AI content here. Book 1 of 4. **Blood Oath** Kit Tunstall, 2005-08. Book 1 in the Blood Lines series. Anca has believed her father was dead her entire life. When Demi appears to bring her to visit her dying father, at first she doesn't believe him. Once she's convinced her father still lives, she agrees to meet him. It's only when she arrives in Corsova that she realizes what's expected of her and what she is: what most of the people of Corsova are, Vampires. **Blood Oath** Archibald Malcolm (author), 1901. Blood Oath Series J A Carter, 2022-05-28. I should hate them, yet there's no denying my body reacts to their every touch. When my ancestors lost everything in a business deal gone wrong, they were forced to make a sacrifice: a blood oath promising the firstborn daughter of their bloodline to a league of vampires. And now they've come to collect. Atlas, Kade, Gabriel, Lex. All seductively sexy and unimaginably dangerous. Torn from everything I've ever known, they take me captive in their Washington D.C. mansion. Each is determined to own me, body, heart, and soul. I'd be lying if I said the thought of that didn't make my skin tingle in anticipation. Still, the alluring immortals are in for a surprise because ancient debt aside, I'm not going down without a fight. VOLUME ONE CONTAINS Book 1 Bound in Crimson, Book 2 Tempted by Fire, Book 3 Entangled in Scarlet. Blood Oath Linda A. Fairstein, 2019. New York Times bestselling author Linda Fairstein explores the depths of Manhattan's secretive Rockefeller University in this timely, captivating thriller about the deep and often deadly reverberations of past sins. Assistant DA Alexandra Cooper of the Manhattan Sex Crimes Unit is finally back at work following a leave of absence, and not a moment too soon. With more women feeling empowered to name their abusers, Alex is eager to return to the courtroom to do what she does best. But even she can't anticipate the complexity of her first case when she meets Lucy, a young woman who testified years earlier at a landmark federal trial and now reveals that she was sexually assaulted by a prominent official during that time. Yet Lucy's isn't the only secret Alex must uncover with rumors swirling about one colleague's abusive conduct behind closed doors and another's violent, mysterious collapse. As the seemingly disparate cases of her client, adversary, and friend start to intertwine, Alex, along with NYPD detectives Mike Chapman and Mercer Wallace, finds herself in uncharted territory within Manhattan's Rockefeller University, a premier research institute, hospital, and cornerstone of

higher learning But not even the greatest minds in the city can help her when unearthed secrets begin to collide in dangerous ways and unless she can uncover the truth the life saving facility just may become her grave [Blood Oath](#)
