**Oral Communication** Kathryn Sue Young, Howard Paul Travis, 2017-11-10

Every day we communicate in our professional and personal lives to initiate or improve relationships, get what we want, function in teams, and learn new things. The success of these interactions depends on the ability to be effective in conveying messages. The Fourth Edition of this widely used text presents indispensable skills to encode and decode messages, guiding readers to develop their own communication style. Retaining its concise yet comprehensive coverage, the latest edition explores digital age communication techniques and includes sections on communication, privacy, management theory, and affection exchange theory.

**Oral Communication 4 E** presents a wide range of introductory topics in an affordable, straightforward, and fun format. Each chapter opens with clear learning objectives and ends with key terms and discussion questions. Interactive exercises throughout the book engage readers as they are asked to reflect on previous experiences, experiment with tools provided to them in the text, react to hypothetical scenarios, and think critically. Readers will benefit from professional sidebars that illustrate how academic concepts fit into the careers they will soon enter.

*Interpersonal Relationships - E-Book* Elizabeth C. Arnold, Kathleen Underman Boggs, 2015-01-08
