In Defense of Globalization Jagdish Bhagwati, 2004-03-01 In the passionate debate that currently rages over globalization critics have been heard blaming it for a host of ills afflicting poorer nations everything from child labor to environmental degradation and cultural homogenization Now Jagdish Bhagwati the internationally renowned economist takes on the critics revealing that globalization when properly governed is in fact the most powerful force for social good in the world today Drawing on his unparalleled knowledge of international and development economics Bhagwati explains why the gotcha examples of the critics are often not as compelling as they seem With the wit and wisdom for which he is renowned Bhagwati convincingly shows that globalization is part of the solution not part of the problem This edition features a new afterword by the author in which he counters recent writings by prominent journalist Thomas Friedman and the Nobel Laureate economist Paul Samuelson and argues that current anxieties about the economic implications of globalization are just as unfounded as were the concerns about its social effects

Globalization and Development Volume I Shigeru Thomas Otsubo, 2015-08-27 Globalization and Development is a cross national study on the interstate dispersion of the impacts on growth inequality and poverty that international economic integration provides to the economies of the developing countries In order to present the Leading Issues in Development with Globalization in a balanced manner to identify differences and commonalities among Country Experiences in development with globalization and to introduce diversified development paradigms with forward looking discussions In Search of a New Development Paradigm for the post MDGs era this publication consists of three volumes and four main parts Volume I Part I introduces the evolution and facets of globalization and the challenges that we face in our development efforts under globalization Findings from the old and new empirical studies are consolidated for us to answer the following question What do we really know about the impacts of globalization Volume I Part II contains thematic and issue oriented discussions on the key facets of globalization This book intends to serve as a unique and comprehensive guide for those in the international development community on the subjects of diversified development paradigms paths under globalization and other challenges in the post MDGs era

Globalization/anti-globalization David Held, 2002 This book is an excellent guide for all those intrigued confused or simply baffled by globalization and its impact

Jacket [Alternatives to Economic Globalization](#) John Cavanagh, Jerry Manders, 2004-10-09 Written by a premier group of 21 thinkers from around the world the second edition of Alternatives to Economic Globalization lays out democratic ecologically sound socially just alternatives to corporate globalization more fully specifically and thoughtfully than has ever been done before Focusing on constructive achievable goals the authors present ten governing principles for establishing truly sustainable societies and describe alternatives to the World Bank the IMF and the WTO that would better serve the needs of

the planet They offer detailed proposals for protecting vital goods and services from corporate exploitation limiting corporate privileges and power rebuilding economies to make them more responsive to human needs and more This revised and expanded edition features a new opening chapter on the global balance of power a new section on the media and globalization and a new final chapter on what ordinary citizens can do to fight the injustices of globalization It also includes many new charts sidebars and other updated information

Globalization Greg Buckman,2004 Globalization is irreversible and irresistible Tony Blair This book gives the lie to that claim Economic globalization has never been an inevitable part of human history It is eminently reversible and hugely resistible Greg Buckman argues there are two broad approaches within the anti globalization movement One perhaps the most widely supported and influential strand today he calls the Fair Trade and Back to Bretton Woods school This argues for immediate reforms of the world s trading system capital markets and global institutions notably the World Bank IMF and WTO The other the Localization school takes a more root and branch position and argues for the abolition of these institutions and outright reversal of globalization Buckman explains the details of each school s outlook and proposals their weaknesses where they disagree their common ground and where they might come together in campaigns

Global Subjects Jean-François Bayart,2007 Globalization is part of the fabric of our everyday lives And yet we often view it as a threat to our identities or even our very survival This study offers a radically new vision of this phenomenon one which goes completely against the way it is interpreted by neo liberals or the anti globalization movement

Global Studies Tuo Cai,Zhenye Liu,2020-06-07 Since the 1950s globalization has been an increasingly irresistible trend and one that has exerted a tremendous impact on the political economic military environmental and social fortunes of mankind and yet existing theories in humanities and social sciences have been fundamentally built upon the traditional nation state model These two volumes a pioneering work on global studies to be published out of China aim at creating a new theoretical framework against the backdrop of globalization This volume discusses globalization on the supranational level The editors reveal the complexity of global studies by examining the multi level and multi dimensional nature of globalization analyzing processes and systems of global society against the backdrop of globalization and exploring the construction of a stable and rational global order These two volumes are an essential reference for scholars and students in politics economics international relations and law

Globalization and Antiglobalization Henry Veltmeyer,2017-07-05 Globalization has changed the context for and the organizational forms of politics unleashing forces in support of and in opposition to the globalization dynamic Investigating the dynamics of change and development in two regions of the world economy Latin America and Asia this book evaluates these forces their political dynamics and the responses of governments and citizens
