Grudem Systematic Theology Notes First Baptist:

In Remembrance of Me Jim Henry, 1998-02-01 In this authoritative guide to the Lord's Supper Jim Henry underscored the biblical basis for the practice then offers practical suggestions for congregations seeking to conform their worship service to the will of God

RELIGIOUS SYNCRETISM IN AFRICAN CHRISTIANITY ISAIAH OLUWAJEMIRIYE OLATOYAN, 2024-04-18 Christianity among the African people whether on the soil of Africa or in diaspora is perceived and defined differently by different people For instance among African traditional religious people and Muslims Christianity is a foreign religion that must not be allowed to thrive in Africa To several Africans who profess Jesus Christianity is good but it is not adequate and effective enough to handle all human needs Still among some Western Christians and missionaries African Christianity is superficial and lacks total commitment to Christ Of course the Africans are a cultural people with profound religious inclinations Their traditional religion ATR has tremendously shaped their worldviews and socioeconomic and political activities Consequently when traditional Africans are converted to Christianity they do not break ties with their traditional religions completely The examination of relevant biblical texts on syncretism however reveals that God condemns the worship of many gods and places a curse on anyone who offers sacrifices to carved images and bows to them in worship Therefore this work investigates the root cause of religious syncretism among African people In the attempt to find answers to why the average African Christian finds it difficult if not impossible to abandon his/her traditional religious belief systems completely to embrace Christianity the author concludes that unless the issues surrounding the African forgotten and secret covenants are exposed and decisively addressed in the light of biblical teaching syncretism will continue to be a stigma on the fabric of African Christianity Therefore to overcome the threats of syncretism in African Christianity there is a need to establish a sound theological and missiological framework that can address the problems associated with the African worldviews and belief systems This task must be carried out under the searchlight of Scriptures

Southern Baptists

Slayden A. Yarbrough, Michael Kuykendall, 2021-09-08 Southern Baptists have a unique and colorful story Birthed in the time of slavery controversy their theology on this and human rights issues has changed as cultural and societal developments occurred One thing that never changed however was their zeal for evangelism They eventually grew to become the largest Protestant denomination in the United States Later a major controversy in the late twentieth century pitted conservative Baptists against moderates Both sides however wrote histories of the controversy from their own perspectives These histories were significant for understanding how each side interpreted the events These pages attempt to fill a missing gap Readers will hear the Southern Baptist story from both sides Understand from this how Southern Baptists work think grow argue and have changed over time They have weathered the ups and downs of history to reveal an ever growing heritage

understanding of God's Word and theology *The Palace Beautiful* Timothy M. Haupt, 2025-06-23 John Bunyan is best known as the author of *The Pilgrim's Progress* his immortal allegory of the Christian life as well as for his influential spiritual autobiography *Grace Abounding to the Chief of Sinners* Less known is that Bunyan's doctrine of the church drew the ire of seventeenth century Baptists and thrust him into a controversy over the terms of church membership and communion that helped to define the boundaries of Baptist identity In *The Palace Beautiful* Timothy Haupt offers a historical and systematic analysis of Bunyan's ecclesiology a comprehensive examination of the communion controversy and a thorough investigation of seventeenth century Baptist identity Was Bunyan a Baptist Haupt argues that the communion controversy was not a debate among fellow Baptists over a secondary issue of church practice but a dispute over fundamentally different ecclesiologies

Life After Roe David Closson, 2025-04-01 *Life After Roe* equips believers with the knowledge and tools needed to navigate the evolving landscape surrounding abortion after the *Dobbs v Jackson* decision

Restore Unity, Recover Identity, and Refine Orthopraxy Peter L. H. Tie, 2012-01-16 Doctrine divides Not a few Christians dread doctrine especially the doctrine of the church ecclesiology that allegedly causes much confusion conflict and controversy within the church Many choose to avoid it but James Leo Garrett Jr Distinguished Professor of Theology Emeritus at Southwestern Baptist Theological Seminary is convinced that the much avoided and neglected ecclesiology is the place where the churches must begin to rediscover genuine unity identity and orthopraxy *Restore Unity Recover Identity Refine Orthopraxy* examines Garrett's biblical notion of the universal priesthood The priesthood concept properly understood in a communal sense integrates the mission membership ministry and management of the church This book is filled with intentional and direct conversations with more than twelve theologians or ecclesiologists from various Christian traditions Reformed Pentecostal Roman Catholic Mennonite Baptist and other Free Church in order to shed light on Garrett's believers priesthood doctrine which eventually points toward a balanced biblical and baptist ecclesiology An ecclesiology rooted in the biblical priesthood does not divide and extinguish but does unite and distinguish

Wayne Grudem's Systematic Theology 1 Ken Schenck, 2013-03-04 Wayne Grudem's *Systematic Theology* is widely influential It is well laid out easy to understand and has components that make working through it a spiritual experience The problem is that it is wrong at a number of fundamental points This is the first of seven booklets summarizing and evaluating Grudem's theology This first booklet evaluates his theology of Scripture whose underlying problem is that it is riddled with anachronistic thinking Grudem neither fully knows how to read the books of the Bible in context nor is aware of how fundamentalist Reformed influences have skewed his interpretations of Scripture

Systematic Theology: Volume 1: The Doctrine of God Augustus Hopkins Strong,2019-03 In the late 1800s the president of Rochester Theological Seminary toiled away ceaselessly to complete a very important project His intent was to provide his students and colleagues with comprehensive tools to rightly divide the word of truth 2 Timothy 2 15 But the finished work that materialized from his devoted study would go on to change the scholarly world forever By 1907 Augustus Hopkins Strong the same man who compiled the famously celebrated Strong s Concordance 1890 an obvious must have for any serious student of the Bible emerged with a new magnum opus masterpiece Systematic Theology As the title reveals its approach to developing a healthy understanding of foundational Christian doctrine requires placing scattered scriptural

references on any one theological subject together in a single parent category reflecting upon the original author's words in context to surrounding Scripture and then thoroughly studying what those verses all have to say about a theological topic when combined. This practice of organizing biblical truths into categorical systems makes it impossible to casually and haphazardly take a verse out of context or to personally approach God with a weak, flimsy expectation of His order, design, and character, which is why researchers, students, scholars, and lay believers all over the world have relied heavily upon Strong's work since the day it went to print. Strong's Systematic Theology is so exhaustive and thorough that from the beginning it required being subdivided into three major volumes: The Doctrine of God, The Doctrine of Man, and The Doctrine of Salvation. Defender Publishing is proud to republish this extraordinary 3-volume masterpiece as a resource and study tool for scholars and all students of the Bible that their lives and faith may be thoroughly equipped for every good work. 2 Tim 3:17

Systematic Theology, Vol. 1 of 3 Augustus Hopkins Strong, 2017-11-20. Excerpt from Systematic Theology Vol 1 of 3. A Compendium and Commonplace Book Designed for the Use of Theological Students. The Doctrine of God. Systematic Theology first published in 1886. Of the original work, there have been printed seven editions, each embodying successive corrections and supposed improvements. During the twenty years which have intervened since its first publication, I have accumulated much new material which I now offer to the reader. My philosophical and critical point of view meantime has also somewhat changed. While I still hold to the old doctrines, I interpret them differently and expound them more clearly because I seem to myself to have reached a fundamental truth which throws new light upon them all. This truth I have tried to set forth in my book entitled Christ in Creation, and to that book I refer the reader for further information.
