Choices, Choices!

It's time for Spring break in town! Summer means great fun like when an explorer goes to a new place. They want to plan all kinds of fun things to do, like fishing, hiking, hiking, swimming, and more. They are hoping for some sunny, enjoyable weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast to see whether before making final plans.

When you make predictions you use information from a story or document to determine what will happen next.

| Monday | Tuesday | Wednesday | Thursday | Friday |
|---|--|---|---|---|
|  |  |  |  |  |
| a bright sun with a high of 80 | partly cloudy with a high of 75 and afternoon thunderstorms. High of 80 | lightning showers with gusts that clearing that evening with a high of 70 | partly sunny with a high of 80 | partly cloudy with a high of 85 |

- 1. Tuesday and the cloud seem to be the best day for fishing. On which day(s) might they not want to go fishing?
- 2. Which day would be the best day for swimming?
- 3. On which days do you think the family might wear jeans and jackets?

Aligns With Current Standards!

Glencoe Literature, 2006

Good Books Lately Ellen Moore, Kira Stevens, 2014-03-04 The inside scoop on book groups from how to run a book group to reading recommendations to discussion topics from America's first book club consultants As book group members across the country have discovered Ellen Moore and Kira Stevens know everything there is to know about book groups and then some In Good Books Lately the founders of the country's first book group consulting company dish out fun stimulating advice based on their own experiences and those of hundreds of book group members on everything from How to start a group and keep it going How to tell a book by its cover really How to generate a lively discussion Behind the scenes anecdotes dirt and favorite book lists The best and worst book group books Book group troubleshooting no matter what sort of group you belong to And much more If you're looking for new ideas to spice up your book group wondering how to join an existing group or hoping to start your own Good Books

Lately will give you the goods to make your book group experience a rousing rewarding success Reader's Choice Sandra Silberstein, Mark A. Clarke, Barbara K. Dobson, 2002-12 The two volumes of Reader's Choice 4 Split Editions contain all the high quality reading skills and strategies in the fourth edition of Reader's Choice Reader's Choice is based on the theory that proficient reading requires the coordination of a number of skills but most important the reader's ability to select the proper skills or strategies to solve each reading problem The exercises and readings in the new split editions of Reader's Choice will help students become independent efficient readers Each carefully selected reading is accompanied by a wide variety of exercises including a composition focus to facilitate use of the text in integrated reading writing programs Skills focused units alternate with units centering on full reading passages New in the split editions Visual literacy Today's students are confronted with a dizzying array and combination of print and graphics These editions feature activities that develop strategies for gleaning information from combinations of text and graphics Web work The ability of today's students to evaluate information sources is nowhere more crucial than on the Internet Web work appears in two skills units in book 1 and other activities accompany several reading selections New readings The changing world around us has led to the addition of readings on topics such as genetic engineering the globalization of tourism and the cross generational workplace Additional vocabulary New readings bring additional vocabulary New lexical items are topically related across a series of linked readings Items are introduced and practiced in a variety of formats reinforcing both the given item and more general literacy and acquisitions skills Book 1 includes units 1-6 and unit 13 from the single volume of the fourth edition Book 2 includes units 7-12 and unit 14 from the single volume of the fourth edition Both volumes include an extensive lesson plan and guide for teachers and an answer key The split editions of Reader's Choice 4 are supported by an accompanying website

Reading at Greater Depth in Key Stage 2 Suzanne Horton, Louise Beattie, Sharon Lannie, 2018-11-20 Expectations in primary English are high particularly in reading There is an emphasis on inference and deduction together with vocabulary development two key elements for preparing pupils to access texts at a higher level At the same time there is also a change in the rhetoric around guided reading with teachers trying different pedagogies in order to fully prepare pupils for the demands of the reading curriculum This book explores the various approaches to developing higher level readers
