1991, [Generation of Sociopaths](#) Bruce Cannon Gibney, 2017-03-07 In his remarkable Men's Journal and controversial Fortune book written in a wry amusing style The Guardian Bruce Cannon Gibney shows how America was hijacked by the Boomers a generation whose reckless self indulgence degraded the foundations of American prosperity In *A Generation of Sociopaths* Gibney examines the disastrous policies of the most powerful generation in modern history showing how the Boomers ruthlessly enriched themselves at the expense of future generations Acting without empathy prudence or respect for facts acting in other words as sociopaths the Boomers turned American dynamism into stagnation inequality and bipartisan fiasco The Boomers have set a time bomb for the 2030s when damage to Social Security public finances and the environment will become catastrophic and possibly irreversible and when not coincidentally Boomers will be dying off Gibney argues that younger generations have a fleeting window to hold the Boomers accountable and begin restoring America

The Sociopath Next Door Martha Stout, Ph.D., 2005-02-08 Who is the devil you know Is it your lying cheating ex husband Your sadistic high school gym teacher Your boss who loves to humiliate people in meetings The colleague who stole your idea and passed it off as her own In the pages of *The Sociopath Next Door* you will realize that your ex was not just misunderstood He's a sociopath And your boss teacher and colleague They may be sociopaths too We are accustomed to think of sociopaths as violent criminals but in *The Sociopath Next Door* Harvard psychologist Martha Stout reveals that a shocking 4 percent of ordinary people one in twenty five has an often undetected mental disorder the chief symptom of which is that that person possesses no conscience He or she has no ability whatsoever to feel shame guilt or remorse One in twenty five everyday Americans therefore is secretly a sociopath They could be your colleague your neighbor even family And they can do literally anything at all and feel absolutely no guilt How do we recognize the remorseless One of their chief characteristics is a kind of glow or charisma that makes sociopaths more charming or interesting than the other people around them They're more spontaneous more intense more complex or even sexier than everyone else making them tricky to identify and leaving us easily seduced Fundamentally sociopaths are different because they cannot love Sociopaths learn early on to show sham emotion but underneath they are indifferent to others suffering They live to dominate and thrill to win The fact is we all almost certainly know at least one or more sociopaths already Part of the urgency in reading *The Sociopath Next Door* is the moment when we suddenly recognize that someone we know someone we worked for or were involved with or voted for is a sociopath But what do we do with that knowledge To arm us against the sociopath Dr Stout teaches us to question authority suspect flattery and beware the pity play Above all she writes when a sociopath is beckoning do not join the game It is the ruthless versus the rest of us and *The Sociopath Next Door* will show you how to recognize and defeat the devil you know
