The Lost Art of Handwriting Workbook has everything you need to master calligraphy and provides a wonderful way to practice your handwriting every day **Writing** Nils Søvik, 2003 When studying aims and programs for elementary schools historically we find that knowledge and skills have been among the dominating factors in the elementary school curriculum throughout the last century
The terms knowledge and skills usually are defined as basic skills which children are supposed to learn at school In the USA the basic skills also have been called the three R s synonymous with arithmetic reading and writing
Because competence in the basic skills is a prerequisite for knowledge acquisition of other school subjects e.g. science history etc it is important that the learning and instruction of the basic skills are adapted to students needs and readiness
As the three R s are fundamental and significant skills for children s learning and progress in other subject matters systematic learning and training in the these basic skills are afforded much space and time in the children s curriculum during the first years of schooling
Although several common traits can be found among the three R s this book concentrates on giving an outline on research in children s learning and performance of writing and to some extent of reading [Catalog](#) University of Colorado Boulder, 1997 **Business Education Index**, 1944
