A GUIDE TO NAMES AND NAMING PRACTICES

This guide has been produced by the United Kingdom to aid with difficulties that are commonly encountered with names from around the globe. Interpol believes that member countries may find this guide useful when dealing with names from unfamiliar countries or regions. Interpol is keen to provide feedback to the authors and at the same time develop this guidance further for Interpol member countries to work towards standardisation for translation, data transmission and data entry.

The General Secretariat encourages all member countries to take advantage of this document and provide feedback and, if necessary, updates or corrections in order to have the most up to date and accurate document possible.
